

## Application Fee Waiver

The University of Alaska Fairbanks requires a fee of \$40 for undergraduate applications and \$50 for graduate applications. Payments can be made by check, money order, MasterCard, or Visa. The fee cannot be waived.

Applicants who have difficulty paying the fee may request that it be put on their UAF student account. They can then pay the fee with their first semester tuition and fees. They are, however, still responsible for paying the fee even if they are not admitted, or if they choose not to attend UAF.
