

Application Fee Waiver

The University of Alaska Fairbanks requires a fee of \$50 for undergraduate applications and \$60 for graduate applications. Payments can be made by check, money order, MasterCard, or Visa.

Applicants who have difficulty paying the fee may request a fee waiver. Requests must be made in writing to the following address:

Office of Admissions
Attn: Lael M. Oldmixon, Interim Director
Po Box 757480
Fairbanks, AK 99775

Requests for waivers are reviewed and approved on a case-by-case basis and are typically approved for students who can show evidence of economic hardship, eligibility for the free-lunch program, and/or participation in the SAT or ACT fee-waiver program.
