

UAF Engineering & Geosciences Career Week 2008 Overview October 6th thru 10th

View Employers and jobs on UAF CareerConnect. Some employers are collecting resumes thru UAF CareerConnect. Register on UAFCareerConnect to post a resume and other application materials.

UAFCareerConnect is a 3 step process: Go to www.uaf.edu/career/

1. Log in using your UAF ID #. Select Forgot Password. A password will be sent to your UAF Student email account. Update your profile. Search employers and jobs.

2. Upload resume for review by Career Services

3. Once the resume has been approved it can then be submitted to the job posting.

Closed indicates that the company or Career Services will contact you to arrange interview – **Open** indicates that you can sign up for an interview.

4 **APPLY FOR JOBS/INTERNSHIPS ON UAFCareerConnect:** Use this list to choose employers. If instructions say "Submit resume thru UAFCareerConnect" follow these steps:

Select Employers tab, type in company name in Keywords, click Search, select Employer, select Available Positions, click on position that you want to apply for, Submit documents
