Welcome to UAF Accounting Recruitment 2009! UAF Career Services and the AACSB accredited School of Management invite you to join our annual Accounting Recruitment, October 12-23, 2009. Due to the varied requests for recruiting dates we are offering two weeks of recruitment. Please read and to adhere to our recruitment/job offer policies.

Benefits of recruiting at UAF Accounting Week

- Access quality UAF undergraduate and graduate accounting majors, many of whom will graduate in either December 2009 or May 2010.
- Encourage students to explore career opportunities with your company.
- Network with faculty, staff and student organizations.
- Conduct productive interviews with prepared students.

Accounting Week will be widely advertised on campus via e-mail, in-class announcements, web postings, "Recruitment Notices," and referrals by faculty. The Great Alaskan Accounting People (GAAP), UAF's student accounting organization, will also be involved through their weekly club meeting and by sponsoring a "Job Search Preparation Day" tentatively scheduled for Oct. 3, 2009.

We look forward to coordinating your on-campus-recruitment. **Please log into UAFCareerConnect (UAFCC), under the shortcuts in the middle of the page choose "Create New Schedule Request" to select Accounting Week and request your interview schedule.** Once your request has been received and activated you will need to attach positions for which you will be interviewing for before the scheduling process can be completed and available for students to view and register. If you are not currently registered on UAFCC you will need to go to our website: www.uaf.edu/career and click on the UAFCareerConnect button, select "for employers" and register as a new employer.

Please request your interview schedule by Friday, September 18, 2009. If you plan to host a social, please let us know so we can assist you with advertising.

We look forward to your visit to UAF! Please contact us for more information at (907) 474-7596 or careerservices@uaf.edu. The Career Services website also has valuable information for planning your campus visit: www.uaf.edu/career/.
