## B.A. Degree

Minimum Requirements for Degree: 130 credits

Alaska Native Studies seeks to provide students with an awareness of the scope, richness and variety of Alaska Native cultures. It offers a series of critical perspectives on the contemporary Native experience in pluralistic North American society. The interdisciplinary academic program is built upon a combination of courses offered by the Alaska Native Studies program and other specialized disciplines.

The Alaska Native studies B.A. prepares students to appreciate historical and contemporary cultural dynamics. The department also welcomes students pursuing a second major or a minor. It encourages students who expect to be involved professionally in Alaska Native communities or other multicultural settings to pursue this degree.
