Notes for All Undergraduate Music Degrees

Note: The various music organizations maintained by the department offer participation for students in all academic divisions of the university. Music majors will be required to earn a minimum of 8 credits in large ensembles: MUS 101 (University Chorus), MUS 203 (Fairbanks Symphony Orchestra), MUS 205 (Wind Ensemble), MUS 207 (UAF Jazz Band), or MUS 211 (Choir of the North). Students must be enrolled in one large ensemble during each semester of attendance at UAF.

Note: Each student (major or non-major) who enrolls in private applied or class lessons (excluding MUS 151K—Class Piano, MUS 151M—Class Voice, and MUS 151S—Class Guitar) must be concurrently enrolled in a large or small ensemble.

Note: Attendance at recitals and concerts provides students with a variety of musical experiences which expand their regular curriculum; therefore, attendance is mandatory for all majors. All applied music students are expected to perform in student recitals during each semester of study.

Note: At the end of the sophomore year, all music majors must demonstrate a satisfactory level of proficiency of performance in their applied major in order to advance to upper-division courses in music. A student may elect to continue study at the 200-level to prepare to pass requirements for admission to upper-division study.

Note: A piano proficiency jury examination must be successfully completed by the end of the student's second year in the program. See music department handbook for details.

Note: Students who desire to enroll in music theory or ear training courses will complete a placement examination and be allowed to enter at their appropriate level.
