### COMMUNICATION (9)

Complete the following:
- ENGL 111X ..........................................................(3)
  
  * ENGL 190H may be substituted.

Complete one of the following:
- ENGL 211X OR ENGL 213X .................................................(3)

Complete one of the following:
- COMM 131X OR COMM 141X .............................................(3)

### PERSPECTIVES ON THE HUMAN CONDITION (18)

Complete all of the following four courses:
- ANTH 100X/SOC 100X .........................................................(3)
- ECON 100X OR PS 100X .......................................................(3)
- HIST 100X .........................................................................(3)
- ENGL/FL 200X ....................................................................(3)

Complete one of the following three courses:
- ART/MUS/THR 200X, HUM 201X OR ANS 202X ..................(3)

Complete one of the following six courses:
- BA 323X, COMM 300X, JUST 300X, NRM 303X,
  PS 300X OR PHIL 322X .....................................................(3)

OR complete 12 credits from the above courses PLUS
- two semester-length courses in a single Alaska Native language or other
  non-English language OR
- three semester-length courses (9 credits) in American Sign Language
  taken at the university level.

### MATHEMATICS (3)

Complete one of the following:
- MATH 103X, MATH 107X, MATH 161X OR STAT 200X .........(3-4)
  
  * No credit may be earned for more than one of MATH 107X or 161X.

OR complete one of the following:
- MATH 200X, MATH 201X, MATH 202X,
  MATH 202X OR MATH 272X ..................................................(4)
  
  *Or any math course having one of these as a prerequisite

### NATURAL SCIENCES (8)

Complete any two (4-credit) courses:
- ATM 101X ...........................................................................(4)
- BIOL 100X .................................................................(4)
- BIOL 103X ........................................................................(4)
- BIOL 104X ........................................................................(4)
- BIOL 105X ........................................................................(4)
- BIOL 106X ........................................................................(4)
- BIOL 111X ........................................................................(4)
- BIOL 112X ........................................................................(4)
- CHEM 100X ........................................................................(4)
- CHEM 103X ........................................................................(4)
- CHEM 104X ........................................................................(4)
- CHEM 105X ........................................................................(4)
- CHEM 106X ........................................................................(4)
- GEOG 205X ........................................................................(4)
- GEOS 100X ........................................................................(4)
- GEOS 101X ........................................................................(4)
- GEOS 112X ........................................................................(4)
- GEOS 120X ........................................................................(4)
- GEOS 125X ........................................................................(4)
- MSL 111X ...........................................................................(4)
- PHYS 102X ........................................................................(4)
- PHYS 103X ........................................................................(4)
- PHYS 104X ........................................................................(4)
- PHYS 111X ........................................................................(4)
- PHYS 116X ........................................................................(4)
- PHYS 175X ........................................................................(4)
- PHYS 211X ........................................................................(4)
- PHYS 212X ........................................................................(4)
- PHYS 213X ........................................................................(4)

### UPPER-DIVISION WRITING AND ORAL COMMUNICATION (0)

Complete the following:
- Two writing intensive courses designated (W) .....................(0)
- One oral communication intensive course designated (O) .....(0)
- OR two oral communication intensive courses designated (O/2), at the
  upper-division level (see degree and/or major requirements) .......(0)

### TOTAL CREDITS REQUIRED ..............................................38–39
