A.A.S. Degree

Minimum Requirements for Degree: 60 credits

The A.A.S. degree in apprenticeship technology provides vocational training and supporting course work to prepare students for the rapidly changing global workplace. The program also helps Alaska industries by training workers who can meet increasing certification requirements which reflect complex business and industrial standards.

The apprenticeship technologies program is a 60-credit A.A.S. degree delivered collaboratively through UAA, UAF and UAS. The practical integration of general course work and training for vocational-technical trades specifically reflects the commitment of the university to high-quality instruction and public service. Individuals earning this degree must complete an apprenticeship program approved by the U.S. Department of Labor, and they must hold journeyman-level status in trades recognized by the U.S. Department of Labor, Bureau of Apprenticeship and Training.

Students declaring a major in apprenticeship technology must present documentation of acceptance into an apprenticeship program approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training. The appropriate College of Rural and Community Development campus will review the documentation and may recommend up to 38 credits of course work following completion of all courses listed below. Students are encouraged to begin the required courses while completing the apprenticeship program to expand the quality and breadth of the program. Students who complete this program may be eligible to enroll in the B.S. technology degree program at UAA or the B.T. degree program at UAF.

Major — A.A.S. Degree

1. Complete the general university requirements (page 86).
2. Complete the A.A.S. degree requirements (page 90. As part of the A.A.S. degree requirements, complete ANTH/SOC F100X; MATH F103X or MATH F107X.)
3. Complete the following:
EMS F152—Emergency Trauma Training First Responder3
STAT F200X—Elementary Probability and Statistics3
4. Complete 3 credits from the following:
AIS F101—Effective Personal Computer Use.....3
CIOS F100—Introduction to Personal Computers1
CIOS F103—Computer Survey 1-3
CIOS F105—Computer Software Application..... 1-3
CIOS F110—Microcomputer Operating Systems..... 1-3
CIOS F111—Computer Software for Beginners 1-2
CIOS F150—Computer Business Applications 1-3
CIOS F152—Introduction to Microcomputers in Small Businesses
1-3
CIOS F251—Integrated Software 1-3
5. Approved apprenticeship program transfer of credit
maximum38
6. Minimum credits required60
