M.Ed. Degree
Minimum Requirements for Degree: 48 or 54 credits

The University of Alaska Graduate Counseling Program prepares students to become culturally responsive effective practitioners through coursework and supervised internship experiences that emphasize an ecological perspective. Students who complete the School Counseling track, a 48 credit-hour program, are eligible to be licensed as professional school counselors in the state of Alaska. Students who complete the Community Counseling track, a 54 credit-hour program, are eligible for licensure as mental health counselors, with additional post-degree requirements. Students who complete this track are eligible to work in community/mental health agencies or as private clinicians once licensed.

Students who are completing either program track through distance education are required to complete COUN F634 (Individual Practicum) and COUN F674 (Group Counseling) on the Fairbanks campus. These courses are offered in alternating summers.
