A.A.S. Degree

Minimum Requirements for Degree: 60 credits

The A.A.S. degree in apprenticeship technologies provides career and technical training and supporting course work to prepare students for the rapidly changing global workplace. The program also helps Alaska industries by training workers who can meet increasing certification requirements which reflect complex business and industrial standards.

The apprenticeship technologies program is a 60-credit A.A.S. degree delivered collaboratively through UAA, UAF and UAS. The practical integration of general course work and training for vocational-technical trades specifically reflects the commitment of the university to high-quality instruction and public service. Individuals earning this degree must complete a formal apprenticeship program and hold journey-level status in trades or occupations (including occupational license or occupational certificate) recognized by the U.S. Department of Labor, Office of Apprenticeship and Training.

Students declaring a major in apprenticeship technologies must present documentation of acceptance into an apprenticeship program meeting the requirements of the U.S. Department of Labor, Bureau of Apprenticeship and Training. The appropriate College of Rural and Community Development campus will review the documentation and may recommend up to 38 credits of course work following completion of all courses listed below. Students are encouraged to begin the required courses while completing the apprenticeship program to expand the quality and breadth of the program. Students who complete this program may be eligible to enroll in the B.S. technology degree program at UAA or the B.T. degree program at UAF.

Major — A.A.S. Degree

1. Complete the general university requirements (page 95).
2. Complete the A.A.S. degree requirements (page 99). As part of the A.A.S. degree requirements, complete:
   - ENGL F111X—Introduction to Academic Writing .................. 3
   - ENGL F212—Business, Grant and Report Writing .................. 3
   - COMM F131X—Fundamentals of Oral Communication:
     Group Context (3)
   - or COMM F141X—Fundamentals of Oral Communication:
     Public Context (3) .......................................................... 3
   - STAT F200X—Elementary Probability and Statistics (3)
   - DEVM F105—Intermediate Algebra (3)
   - or any MATH course at the 100-level or higher (3) ............... 3
   - ABUS F154 or ANTH F100X or SOC F100X ....................... 3

3. Complete 6 credits of safety, computer, business, technical, or other advisor-approved courses linked to an identified education or career pathway .............................................. 6
4. Approved apprenticeship program transfer of credit maximum ....................................................................... 38
5. Electives to complete 60 credits as needed.
6. Minimum credits required .................................................................................................................. 60
All degrees (e.g. Certificate, A.A., A.A.S., A.S., etc) require additional courses. Refer to specific degree and program requirements.

Certificate Requirements

COMMUNICATION (2-3)
Complete one of the following:
ENGL F111X ............................................. (3)  
ABUS F170 ............................................. (3)  
ABUS F271 ............................................. (3)  
ENGL F211X ............................................. (3)  
ENGL F212 ............................................. (3)  
ENGL F213X ............................................. (3)  
COMM F131X ............................................. (3)  
COMM F141X ............................................. (3)  
DEVS F104 ................................................ (1 – 3)  
DEVS F105 ............................................. (3)  

Other program-approved discipline-based communication course or discipline-based courses with embedded communication content. (2 – 3)

* ENGL F212 does not fulfill the second half of the written communication requirement for the bachelor's degree.

COMPUTATION (2-3)
Complete one of the following:
Any course at the F100-level or above in mathematical sciences (computer science, math or statistics) ............................................. (3)  
ABUS F155 ............................................. (3)  
DEVM F105 ............................................. (3)  
ECE F117 ............................................. (3)  
HLTH F116 ............................................. (3)  
HUMS F117 ............................................. (3)  
PRT F155 ............................................. (3)  
TTCH F131 ............................................. (3)  

Other program-approved discipline-based computation course or discipline-based courses with embedded computation content. (2 – 3)

HUMAN RELATIONS (2-3)
Complete one of the following:
ANTH F100X/SOC F100X ............................... (3)  
ABUS F154 ............................................. (3)  
ANL F287 ............................................. (3)  
ECE F245 ............................................. (3)  
ED/PSY F245 ............................................. (3)  
HLTH F106 ............................................. (3)  
HUMS F120 ............................................. (3)  
RHS F110 ............................................. (1)  
AND RHS F115 ............................................. (2)  

Other program-approved discipline-based human relations course or discipline-based courses with embedded human relations content. (2 – 3)

MAJOR SPECIALTY CREDITS (minimum) .................. 21

Minimum credits for required certificate .................. 30

Associate of Applied Science
Requirements

COMMUNICATION (9)
ENGL F111X ............................................. (3)  

Complete one of the following:
ABUS F271 ............................................. (3)  
ENGL F211X ............................................. (3)  
ENGL F212 ............................................. (3)  
ENGL F213X ............................................. (3)  

* ENGL F212 does not fulfill the second half of the written communication requirement for the bachelor's degree.

Complete one of the following:
COMM F131X ............................................. (3)  
COMM F141X ............................................. (3)  

COMPUTATION (3)
Complete one of the following:
Any course at the F100-level or above in mathematical sciences (computer science, math or statistics) ............................................. (3)  
ABUS F155 ............................................. (3)  
DEVM F105 ............................................. (3)  
ECE F117 ............................................. (3)  
HLTH F116 ............................................. (3)  
HUMS F117 ............................................. (3)  
PRT F155 ............................................. (3)  
TTCH F131 ............................................. (3)  

Other program-approved discipline-based computation course or discipline-based courses with embedded computation content. (3)

HUMAN RELATIONS (2-3)
Complete one of the following:
ANTH F100X/SOC F100X ............................... (3)  
ABUS F154 ............................................. (3)  
ANL F287 ............................................. (3)  
ECE F245 ............................................. (3)  
ED/PSY F245 ............................................. (3)  
HLTH F106 ............................................. (3)  
HUMS F120 ............................................. (3)  
RHS F110 ............................................. (1)  
AND RHS F115 ............................................. (2)  

Other program-approved discipline-based human relations course or discipline-based courses with embedded human relations content. (3)

MAJOR SPECIALTY CREDITS (minimum) .................. 30

Minimum credits required for degree .................. 60
