**BA Degree**

Minimum Requirements for Degree: 120 credits

Eskimo languages are spoken by far northern people from the northeastern tip of Siberia, across Alaska and Canada, to East Greenland. The Eskimo languages include the four Yupik languages of Alaska and Siberia as well as Inuit, the Alaska sector of which is called Inupiaq. In terms of population and numbers of speakers, Central Alaskan Yup’ik is by far the largest Alaska Native language; Inupiaq is the second largest. Eskimo languages are the linguistic heritage of more than half of Alaska’s Native population.

Students who obtain a BA in Central Yup’ik or Inupiaq Eskimo may be employed as Native language instructors or language specialists for school districts or Native organizations. No other university in the United States offers a BA in Eskimo.

Students in linguistics or anthropology may want to complete a minor in Eskimo to add a distinctly Alaska emphasis to their education.

**Inupiaq Eskimo — BA Degree**

1. Complete the general university requirements (page 131).
2. Complete the BA degree requirements (page 135).
3. Complete the following program (major) requirements:*  
   ANL F315—Alaska Native Languages: Eskimo-Aleut  
   ESK F101—Elementary Inupiaq Eskimo  
   ESK F112—Intermediate Inupiaq Eskimo  
   ESK F211—Intermediate Inupiaq Eskimo  
   ESK F212—Intermediate Inupiaq Eskimo  
   ESK F417—Advanced Inupiaq Eskimo  
   LING F101—Nature of Language  
   or ANS F320W—Language and Culture: Applications to Alaska  
   Minimum credits required ..................................................120
* Students must earn a C- grade or better in each course.

**Minor**

1. Complete Eskimo electives ..............................................15
2. Minimum credits required ..............................................15

---

**Yup’ik Eskimo — BA Degree**

1. Complete the general university requirements (page 131).
2. Complete the BA degree requirements (page 135).
3. Complete the following program (major) requirements:*  
   ANL F315—Alaska Native Languages: Eskimo-Aleut  
   ESK F101—Elementary Central Yup’ik Eskimo  
   ESK F102—Elementary Central Yup’ik Eskimo  
   ESK F201—Intermediate Central Yup’ik  
   ESK F202—Intermediate Central Yup’ik  
   ESK F301—Advanced Central Yup’ik Eskimo  
   ESK F415—Additional Topics in Advanced Yup’ik Eskimo  
   LING F101—Nature of Language  
   or ANS F320W—Language and Culture: Applications to Alaska  
   Minimum credits required ..................................................120
* Students must earn a C- grade or better in each course.
Baccalaureate Core Requirements

Communication ................................................. 9 Credits
- ENGL F111X—Introduction to Academic Writing..............(3)
- ENGL F190H may be substituted.

Complete one of the following:
- ENGL F211X—Academic Writing about Literature............(3)
- ENGL F213X—Academic Writing about the Social and Natural Sciences ....(3)

Complete one of the following:
- COMM F131X—Fundamentals of Oral Communication: Group Context ....(3)
- COMM F141X—Fundamentals of Oral Communication: Public Context....(3)

Perspectives on the Human Condition .......... 18 Credits

Complete all of the following four courses:
- ANTH F100X/SOC F100X—Individual, Society and Culture..............(3)
- ECON F100X or PS F100X—Political Economy ..................................(3)
- HIST F100X—Modern World History ..............................................(3)
- ENGL/FL F200X—World Literature ....................................................(3)

Complete one of the following three courses:
- ART/MUS/THR F200X—Aesthetic Appreciation: Interrelationship of Art, Drama and Music..........................................................(3)
- HUM F201X—Unity in the Arts..............................................................(3)
- ANS F202X—Aesthetic Appreciation of Alaskan Native Performance ..(3)

Complete one of the following six courses:
- BA F323X—Business Ethics.............................................................(3)
- COMM F300X—Communicating Ethics............................................(3)
- JUST F300X—Ethics and Justice.........................................................(3)
- NRM F303X—Environmental Ethics and Actions .........................(3)
- PS F300X—Ethics and Society.........................................................(3)
- PHIL F322X—Ethics—.................................................................(3)

Or complete 12 credits from the above courses plus one of the following:
- Two semester-length courses in a single Alaska Native language or other non-English language.
- Three-semester-length courses (9 credits) in American Sign Language taken at the university level.

Mathematics .................................................... 3 Credits

Complete one of the following:
- MATH F103X—Concepts and Contemporary Applications of Mathematics .................................................................(3)
- MATH F107X—Functions for Calculus*..................................................(4)
- MATH F161X—Algebra for Business and Economics** .....................(3)
- STAT F200X—Elementary Probability and Statistics.......................(3)
* No credit may be earned for more than one of MATH F107X or F161X.
** No credit may be earned for more than one of MATH F200X, F262X or F272.

Or complete one of the following:
- MATH F200X—Calculus I** .................................................................(4)
- MATH F201X—Calculus II ................................................................(4)
- MATH F202X—Calculus III.................................................................(4)
- MATH F262X—Calculus for Business and Economics ......................(4)
- MATH F272X—Calculus for Life Sciences..........................................(4)
* Or any math course having one of these as a prerequisite

Natural Sciences ............................................. 8 Credits

Complete any two (4-credit) courses.
- ATM F101X—Weather and Climate of Alaska .........................(4)
- BIOL F100X—Human Biology...........................................................(4)
- BIOL F101X—Biology of Sex...........................................................(4)
- BIOL F103X—Biology and Society ....................................................(4)
- BIOL F104X—Natural History..........................................................(4)
- BIOL F115X—Fundamentals of Biology I ......................................(4)
- BIOL F116X—Fundamentals of Biology II .....................................(4)
- BIOL F210X—Introduction to Human Nutrition .........................(4)
- BIOL F211X—Human Anatomy and Physiology I ......................(4)
- BIOL F214X—Human Anatomy and Physiology II .....................(4)
- CHEM F100X—Chemistry in Complex Systems .............................(4)
- CHEM F103X—Basic General Chemistry........................................(4)
- CHEM F104X—Beginnings in Biochemistry ...................................(4)
- CHEM F105X—General Chemistry ..................................................(4)
- CHEM F106X—General Chemistry ..................................................(4)
- GEOG F111X—Earth and Environment: Elements of Physical Geography...............(4)
- GEOG F100X—Introduction to Earth Science .................................(4)
- GEOG F101X—The Dynamic Earth..................................................(4)
- GEOG F106X—Life and the Age of Dinosaurs.................................(4)
- GEOG F112X—History of Earth and Life .......................................(4)
- GEOG F207X—Glaciers, Earthquakes and Volcanoes .................................(4)
- GEOG F212X—Humans, Earth and Environment ..........................(4)
- MSL F111X—The Oceans .................................................................(4)
- PHYS F102X—Energy and Society ....................................................(4)
- PHYS F103X—College Physics...........................................................(4)
- PHYS F104X—College Physics ...........................................................(4)
- PHYS F115X—Physical Science I.........................................................(4)
- PHYS F175X—Astronomy .................................................................(4)
- PHYS F211X—General Physics ..........................................................(4)
- PHYS F212X—General Physics ..........................................................(4)
- PHYS F213X—Elementary Modern Physics .....................................(4)

Library and Information Research ............... 0 – 1 Credit

Successful completion of library skills competency test or LS F100X or LS F101X prior to junior standing 0 – 1

Upper-Division Writing and Oral Communication

Complete the following at the upper-division level:
- Two writing intensive courses designated (W) and one oral communication intensive course designated (O), or two oral communication intensive courses designated (O/2) (see degree and/or major requirements)

Total credits required 38 – 39

All degrees (e.g. B.A., B.S., etc.) require additional courses. Refer to specific degree and program requirements. Students must earn a C- grade or better in each course used toward the baccalaureate core.
