MEMORANDUM

DATE: February 2, 2009

TO: Vice Chancellor for Research

FROM: Brian Rogers, Chancellor 

RE: Delegation of Authority as UAF Authorized Organizational Representative (AOR)

“Authorized Organizational Representative” (AOR) is defined in UAF Uniform Proposal Review Policy no. 004-001 as “the individual within UAF that has been delegated signature authority by the Chancellor to approve Proposal submissions to external sponsors.”

I hereby designate the UAF vice chancellor for research as the UAF AOR. This designation includes the authority to submit funding proposals to sponsors on behalf of UAF and to sign all related proposal documents, including certifications and assurances, matching/cost sharing requests, F&A policy exemption requests, PI policy exemption requests, and letters of commitment to other institutions.

This delegation of authority may be re-delegated by the vice chancellor for research, at his discretion, to the director of the UAF office of special programs and/or the UAF associate vice chancellor for research. This delegation is in effect unless otherwise rescinded by me in writing.
