

EMPOWER YOURSELF

Degrees Offered

- Bachelor of Arts (BA), concentrations in design/technical theatre, directing, film and performance
- Minor

Why Choose Theatre?

If you are outgoing and creative, a theatre degree may be for you. In our theatre program you will learn by doing. Students in our program are encouraged to explore their creative potential by experiencing all the department has to offer, including acting, filmmaking, playwriting, directing, designing, set building, technical aspects, dancing, singing, playing music, managing and producing.

Career/Professional Opportunities

The BA in theatre prepares graduates for careers in stage, television, radio, film and video performing, directing, set design, stage management, production, many behind-the-scenes professions, journalism, publicity and education.

About Us

At Theatre UAF we want you to be creative! We believe the human imagination is limitless and students should be encouraged to take risks, and that means our production work takes whatever shape it needs to take. We don't dictate a strict course of study, but rather assist you in becoming a unique and self-directed theatre artist and person. We want you to understand as much as you can about making theatre. Most importantly, we want you to understand your creative potential.

UAF Theatre Department

Approximately 25 majors (students), four instructors and two staff members.

Excellent facilities including a 430 seat theatre and well-equipped costume and scene shops.

Some courses are available via distance delivery methods.

Our Student Drama Association is very active and produces student-directed and sometimes student-written productions.

Internships and study abroad opportunities are available.
