Contest

The first person who sends the correct answer for the scavenger hunt will receive a book bag.

Send your responds to fyrcrlth@uaf.edu

There are 10 words that make up a sentence. The words can be found within the newsletter. These words are italicized but not in order.

The winner will be announced in our next newsletter.

Hint: Lilly has the answers.

New E-Newsletter

Torie Foote,
Director

Welcome to our first E-Newsletter! Please keep this link [Newsletter](#) in your book mark spots so you *can* visit our web site frequently. Our goal is to have up to date information on courses, programs of study, instructors, financial aid and

other resources to help you. We have started this Newsletter as a way to give you a quick heads up on changes or new opportunities coming through either our department or the College of Rural and Community Development (CRCD).

We also hope you will give us feedback about services or ideas that we could do to help you as you try to get to your dream job. You can use this link [Suggestions](#) to give us an idea, complain, or whatever you would like to share. Your feedback is important to us so

feel free to use that.

Please also know we can also help find other resources *that* you may not be aware of everything from help in funding your education to help in surviving a class—all you have to do is ask. Our overall goal is that you not only do well in any of our courses but that you find it leads you to a job that is meaningful to you! In the meantime, watch for the spots in this newsletter that you can win prizes from they are hidden throughout this newsletter.

Student Success Coordinator

Hi my name is Lilly Sommer, and I am the Student Success Coordinator for UAF College of Rural and Community Development Health Programs. My duties include, but are not limited to: recruiting students for health programs, advising new students, as well as students that *have* been

taking our classes for some time. It is my job to aid these students with solving any problems they may be having, whether it be, *computer problems*, completing required paperwork, or trying to help them balance out their workload, home life, or improve their study skills. If I am unable to *assist* with *questions* or concerns, I will set you up with someone who can. I grew up in a small village; therefore I know first hand the disadvantages a student may be faced with or

encounter while attending school.

I truly enjoy my job with CRCD Health Programs, as it gives me much pleasure knowing that students out in the rural areas have the much needed support and confidence knowing that there is someone on this end willing to help.

Please feel free to call me at 1-866-955-2050. I look forward to hearing from any and all students who may be in need of assistance.

Visit us on the web at
www.uaf.edu/crcdhealth
or call: 1-866-955-2050

UAF is an AA/EO
employer and
educational institution.

UAF email versus other emails

UAF now uses e-mail to communicate with students with respect to many important matters. You are responsible for knowing, and when appropriate, acting on the contents of all university communications sent to your official UAF e-mail account. An e-mail account on UAF's server will be automatically generated for you upon registration in any UAF course.

Your UAF email can be forwarded to your email account of your choice. http://www.alaska.edu/oit/email/mail_forwarding.xml and follow the instructions on how to forward your UAF email to another account.

If you need help in activating your email account https://ssl.uaf.edu:1917/email_lookup.html.

For other UAF email support <http://www.alaska.edu/oit/email/usermin.xml>.

You can also contact Lilly for additional help or information at 907-455-2044 or 1-866-955-2050.

Spring 2008 Courses

[Spring Catalog](#)

Health Care Reimbursement see pages 34 – 36

The Health Care Reimbursement Certificate program prepares *students* for employment as medical billers and coders in medical offices, clinics hospitals and other medical facilities.

Course Highlights

Human Services see pages 36 – 37

Students in the human services program receive skills-based training based on a foundation of theory. After completing foundation courses, students select an area of concentration (Behavioral Health, Addiction Counseling, Mental Health and Developmental Disabilities, Residential care, Supervision and Management in Human services, or Workforce development).

Student Orientation

January 8, 2008

2 PM OR 6 PM

Students who are enrolled into an Elluminate Live course needs to attend an orientation. Please contact Lilly Sommer at 907-455-2044 or 866-955-2050 to sign up.

If you cannot make the orientation you can complete the online orientation at <http://www.uaf.edu/crcdhealth/Bb-Elive.htm> You should have ELive installed and the orientation completed before the start of class.
