

Attention HIGH School Students

Beginning Fall 2009

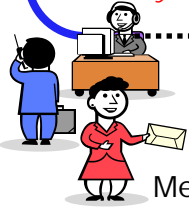

University of Alaska's Rural Alaska Health Education and Training (HEAT) Project is offering its *first* **UA Statewide distance delivered online course in Health Career Pathways** designed specifically for high school students:

HLTH F105 INTRODUCTION TO HEALTH CAREERS

- **Credits and Grading:** 2 college credits – letter grades
- **Dates:** Wednesday September 9, 2009 – Wednesday December 16, 2009
- **Time:** Mondays and Wednesdays 2:30PM – 3:30PM
- **Course Delivery:** **LIVE ONLINE CLASSROOM** using UA Blackboard and E-Live
- **Textbook:** Information provided at later date.
- **Tuition / Fees:**
 - **For School Districts WITH** a Tech Prep Career Pathway and Plan of Study in Health Careers UA Tuition and Fees are greatly reduced. (\$25 per credit and \$3 technology fee)
 - **For School Districts WITHOUT** a Tech Prep Career Pathway and Plan of Study in Health Careers Standard UA Tuition and Fees apply. (Financial support may be available for individual students.)

It may be possible to begin to develop Plans of Study and a Career Pathway for your district prior to course delivery!

Career Pathways offered through this project include:

Medical/Dental Reception

Personal Care Attendant

Certified Nurse Aide

Medical Coding

Medical Billing

Medical Assistant
