UAF RecCamp

UAF RECREATIONAL DAY CAMPS
First and foremost thank you so much for choosing our camp for your child to grow, learn, and explore. Camp is a great way for children to stay active during school breaks, learn to improve on individual and team skills, experience new and varied recreational activities, have fun, and socialize in a safe and friendly UAF environment. The UAF RecCamp has been in existence since the summer of 1995 and continues to improve every year.

RECREATIONAL OPPORTUNITIES
The Student Recreation Center is a great place to hold a camp. We have use of 3 multi-purpose courts, a climbing wall, Patty Center swimming pool, Patty Ice Arena, outdoor field space, and numerous other areas to offer a wide range of activities.

CAMP STRUCTURE/SUPERVISION
Each child will be placed in small age appropriate groups with a camp counselor(s). Groups will participate in a new activity every hour for a well-rounded camp experience.

SPECIAL SITUATIONS
In order to best accommodate both you and your child, we ask that any unusual circumstances (late arrivals, doctor’s appointment, special event, etc.) be communicated to the camp staff in writing. This information will prepare our staff for the safe release of your child at all times. If you need to drop off or pick up your child at a time other than the scheduled one, please come into the SRC office so our staff may assist you. The phone number is 474-6814 or 474-5886 to leave a message.

DROP OFF and PICK UP
Each camper will need to be signed in and signed out of camp every day by an authorized adult. A camp counselor will be located near the entrance of the Student Recreation Center (SRC). Please do not arrive early as staff will not be available to assist your child. Parents who do not pick up their child within 10 minutes of the designated pick up time will be charged $25.00. This will continue to accrue following each 15 minutes past 5:30 p.m.

PARKING
In order to avoid congestion at camp drop off and pick up times, we ask that you park your vehicle in the parking lot or metered spaces if you need to talk with our staff.

ATTENDANCE
Parents are asked to please call the camp office, 474-5886, if your child will not be attending for any period of time.

MEDICAL
Please inform our staff of any special medical conditions your child may have by filling out the HEALTH HISTORY FORM. If you wish to meet our staff to discuss a medical condition, we will be happy to make arrangements. If your child needs to take medication during camp, please properly mark it and check it into the camp office. In the event that your child should become ill or injured during camp, every possible effort will be made to inform you of this situation. The camp staff is certified in CPR and First Aid, and they will take the necessary steps appropriate to each situation.
SUPERVISION
Camp Counselors will be directly supervising the groups. If an individual needs to be away from their group, they are required to check in and tell the camp counselor where they will be. Camp Counselors will be in close proximity to their group at all times.

SNACK & LUNCH TIME
There will be morning and afternoon breaks whenever each group decides. Please send multiple snacks for your child. Food and drinks will not be provided by the camp. We keep the campers running and they need a snack for extra energy. We encourage, but do not require, healthy snack options. Throughout the summer our parent newsletter will include great options to keep your children energized and hunger free.

Children who are enrolled in camp for both the morning and afternoon sessions should bring their own lunches. No cold storage or microwaves are available. Please make sure everything is marked.

Water is greatly needed. Encourage your campers to drink water throughout the day, counselors will remind them throughout the day, but it’s helpful if you reiterate this importance at home as well.

PERSONAL BELONGINGS
We ask that campers DO NOT bring in any form of digital equipment or any type of trading cards. This would include iphone, itouch, ipod, telephones, MP3 players, cd players, hand held video games, Pokeman cards, baseball cards or whatever the “IN” thing is. If they do bring these items in they will not be allowed to access them during camp hours (7:30 AM- 5:30 PM).

CLOTHING
Children MUST provide a second pair of shoes for inside the Student Recreation Center! One pair for indoors only and one pair to be worn only outdoors. Please have them bring appropriate outdoor clothing, as we will spend as much time outside as possible.

BEHAVIOR OF CHILDREN
In order to ensure a safe, fun, and positive environment for all campers, disruptive and/or dangerous behavior by any child will receive immediate attention from our staff as outlined by our behavior guidance policy.
