

UAF Environmental Health, Safety and Risk Management

What's New

Hey, it's not new, but the "**Unsafe Condition Reporting Program**" is a proactive way to help reduce future incidents, accidents or injuries. If you see something unsafe on the UAF campus or remote campus locations, please take time to fill out this form and send it to EHS&RM. You can either print the form and mail to PO Box 758145, or fax 474-5489, or simply fill out the form on the web and it will be sent automatically to EHS&RM. The form is available at: <http://www.uaf.edu/safety/unsafe-condition/>

We strongly encourage you to put your name on the form; with your name we can have follow up contact with you. We can better follow up on the unsafe condition and we may have questions for you regarding what you saw, when and where.

In the event an employee is injured, utilize the **Accident Notification Procedure - [How to Flowchart](#)**

To report an incident or an accident after hours, holidays or on weekends, contact the UAF Emergency Dispatch Center at 907-474-7721. The dispatch center will contact an employee from EHS&RM.

What's Next

EHS&RM offers a variety of training programs and resources to the University of Alaska Fairbanks. State and Federal laws require UAF to develop and maintain an effective occupational health and safety program and assure compliance with occupational protection regulations. The programs that have been developed are designed to fulfill regulations and to promote safe practices in the workplace and academic setting.

EHS&RM wants ALL Employees to complete the following classes which are available via SkillSoft or UAF PowerPoint:

- Back Injury Prevention –SAH0404 SkillSoft
- Electrical Safety -SAH0419 SkillSoft
- Emergency Action Plan - Department Specific (talk to your supervisor)
- Ergonomics - SAH0424 SkillSoft
- Hazard Communication – UAF Safety Training PowerPoint and Quiz
- Materials Handling – UAF Safety Training PowerPoint and Quiz
- Office Safety (general) - SAH0458 SkillSoft
- Signs and Tags - Accident/Injuries Prevention - SAH0476 SkillSoft
- Slips, Trips and Falls - SAH0479 SkillSoft

Access to these classes is available at: <http://www.uaf.edu/safety/training/>
