NOTE: Students planning to go on to a baccalaureate degree need to work closely with their advisors and are encouraged to select courses meeting core requirements and courses designated within majors and minors. Only courses with an X designator count toward the baccalaureate core.

This degree program is delivered collaboratively within the UA system. Credits earned from each UA institution will be counted toward fulfillment of the degree requirements and fulfillment of the minimum institutional residency requirements. Institutional residency requirements are the minimum number of credits that must be earned from the campus where a degree is earned.

| Credits required for core:       | 15 |
| Credits required for major:      | 45 |
| Total credits required for degree| 60 |
