HELPFUL HINTS

“TO-DOs” BEFORE YOUR CLASSES BEGIN

Double check the section number and the delivery method to ensure you are in the right class!

Order your books for KuC and CRCD Courses:
CRCD http://www.crcd-gotbooks.com 1-877-651-4002

E-learning, X and FM section course books:
Contact the UAF Bookstore in Fairbanks 907-474-7348 or via email at uaf@bkstr.com. Credit card or full payment of books is required.
http://www.bkstr.com/alaskafairbanksstore/home

University Accounts: Use ELMO (Easy Login Maintenance Option) to find and authorize your UA username, student number, or reset forgotten passwords. Below are abbreviated instructions. Detailed instructions can be printed at the ELMO website.

Go to https://elm.alaska.edu
1. New students, select option 3. Inactive or returning students, select option 1, 2, or 3. Click GO ELMO.
2. Depending on which option you selected, ELMO will ask you some questions to validate and activate your account. Click Confirm. You will also be asked to select a “security setting” for future account maintenance. Read the choices carefully and choose the one best for you: standard, custom, or maximum. Select apply or OK.
3. Your username will be displayed on the next page and you can activate your password by filling in the New Password box. In choosing a password, the UA Technology Department requires at least 8 characters including at least one number and uppercase letter or character.
4. Click Set Password
5. Allow several minutes for your username and password to be established then hit the Ctrl-Alt-Del keys to log out.
6. Be sure to keep your passwords in a safe place!

Note: Directory or confidentiality holds on your records will prohibit you from using ELMO. Contact your local UA registrar for assistance.

Your UA Username is “generally” your first initial, followed by your middle initial (if you have one), your last name and possibly a number to guarantee uniqueness. Example: tsturkey8

Your UA Student ID Number is a unique, 8 digit student number that is used to identify your student records. Example: 30000000

The user ID activated in ELMO is used for logging into many UA Services: Gmail, Google Apps@UA, UAF Blackboard, UA Enterprise Directory (EDIR), and others.

Once a student is registered, he/she should become familiar with several student support platforms:

Activate your University of Alaska (Google) gmail http://www.alaska.edu/google
Click on the Mail icon and enter your UA username and password (set up in ELMO). The address consists of your username@alaska.edu. Example: tsturkey8@alaska.edu
Students should forward their university mail to the email account they check the most.

UA Online https://uaonline.alaska.edu
This portal provides access to register, view student schedules, grades, transcripts, billing, and other services.

Detailed instructions for using UAOnline are found at https://uaonline.alaska.edu.

Blackboard (Bb) https://classes.alaska.edu
Blackboard allows students to download class syllabi, assignments and participate in discussion rooms. Use your username and password set up in ELMO to log in. Your instructor will advise you if Bb is used. Firefox Browser is recommended: http://getfirefox.com.

Blackboard Collaborate (COLL) (formerly E-Live) allows for sharing of two-way audio, program applications and graphics. It is accessed through the UAF Blackboard Course site. Load the Collaborate software on your computer well in advance of the course start date: http://www.blackboard.com/platforms/collaborate/support/support-for-blackboard-collaborate.aspx. Select “First Time Users” and work through the instructions. Be sure to test the audio path on your headset. A computer headset with microphone can be ordered with your books.

Computer and Technology Assistance:
- UAF Office of Technologies: 1-800-478-8226, helpdesk@alaska.edu and www.alaska.edu/oit or kuc-helpdesk@alaska.edu
- KuC: 1-800-478-5822, kuc-helpdesk@alaska.edu

KuC Computer Lab Access:
- Students enrolled in KuC or UA courses may use the KuC computer labs; hours vary and are posted.
- Students taking Blackboard Collaborate courses in the computer lab need to bring their own headsets. Headsets are not available for loan.
- Students taking Distance Delivered courses should practice logging in prior to the course start date.
