Start Date: Feb. 19, 2013             Stop Date: March 12, 2013

Subject: Conference to focus on sustainable agriculture

Details:

Registration is open for the Sustainable Agriculture Conference March 13-14 at the Fairbanks Princess Riverside Lodge.

Preconference workshops on March 12th will focus on rainwater catchment systems, and the conference will highlight sustainable farming and gardening methods.

The University of Alaska Fairbanks Cooperative Extension Service will host the annual conference. See agenda and registration information linked from www.uaf.edu/ces.
