Start Date: Feb. 10, 2014    Stop Date: March 14, 2014

Subject: Agriculture Conference registration opens

Details:

Registration is open for the Sustainable Agriculture Conference March 12-13 in Fairbanks.

The theme is “Growing Alaska Farmers.” Sessions will focus on sustainable practices, raising livestock and emerging markets. Preconference workshops March 11 will highlight plant breeding and agricultural record keeping and taxes.

The UAF Cooperative Extension Service will host the conference at Wedgewood Resort. See the agenda and registration information at www.uaf.edu/ces.
