Start Date: Aug. 7, 2014    Stop Date: Sept. 18, 2014

Subject: Pest ID information offered at farmers market

Details:

The University of Alaska Fairbanks Cooperative Extension Service will host a garden pest information booth Wednesdays through September at the Tanana Valley Farmers Market.

Volunteer experts will answer questions about insects and weeds and how to manage them. Individuals may bring insects and weeds for identification between 11 a.m. and 4 p.m. Call Darcy Etcheverry at 474-2422 for more information.
