Re: MPC Recommendation 2012-05 – Verizon Wireless Cell Antennas

The MPC recommends approval of the Verzion Wireless request for placement of cellular phone antennas on the south facing side of the rooftop penthouse of the Arctic Health Research Building. Verzion Wireless shall comply with all requirements of the University on the construction of this project and secure a use authorization from UA Statewide Facilities and Land Management.

Motion made by Gary Newman, seconded by Jonathan Shambare.

Motion passed unanimously.

Thank you.
