<th>UAF Space Planning Group (SPG)</th>
<th>UAF Master Planning Committee (MPC)</th>
</tr>
</thead>
</table>
| Charge & Responsibilities   | • Receive and respond to all requests for new space allocations and requests for changes in uses or configurations of existing space  
• Plan for changes in space allocation or functions  
• Review, discuss and analyze physical facility space needs  
• Ensure campus leadership participation in facilities decision-making processes | • Advisory committee to the UAF Chancellor  
• Assist in the implementation and continual update of the current UAF Campus Master Plan (CMP)  
• Information gathering and analysis  
• Provide a public process  
• Develop recommendations for the Chancellor on o items that are directly related to campus land uses, buildings, landscapes, open space, locations, aesthetics, traffic/pedestrian flow, vehicular circulation systems, lighting  
 o conceptual plans for development and improvement of the campus physical environment |
| Focus?                      | • SPG identifies which existing spaces within campus buildings can accommodate new space requests  
• Internal spaces  
• Strategic decisions regarding programmatic space needs  
• Reviews leases | • Campus Master Plan (CPM) identifies existing and preferred campus land uses, buildings, landscapes, open space, locations, aesthetics, traffic/pedestrian flow, vehicular circulation systems, lighting, and conceptual plans for development and improvement  
• External spaces  
• Subcommittees include North Campus and Campus Landscape and Outdoor Art  
• Sub-plan integration with CPM, e.g., Sustainability sub-plan |
| Members                     | Provost, Vice Chancellors, Associate Vice Chancellor for Facilities Services | Faculty, Staff, Students and Community Members appointed by the Chancellor (shared governance concept) |
| Meeting Times               | • Once per month, year-round  
• Meetings not open to the public | • Every other week (Sept-May)  
• Monthly as needed (June-Aug)  
• Meetings open to the public |
<p>| Process                     | Space requests are vetted through Facilities for viability, then reviewed by the Space Planning Group. The Space Planning Group votes to approve or deny the request. While most decisions are final, appeals can be considered on a case-by-case basis. | The MPC’s recommendation is submitted to the Chancellor in writing, with a copy to the person initiating the request for consideration. The Chancellor initiates any action that is to follow from MPC’s recommendation. |
| Approvals                   | Dean, director or department head approval is required | Identification of UAF individual who is responsible or |</p>
