

Academic Advising Resources

Academic advising is crucial to your educational success and *required* before registering for classes each semester. UAF has several options for advising; choose the one that best fits your needs. If you are in a certificate, associate, pre-major, occupational endorsement, or general studies program, you will want to contact one of the following:

<p>Academic Advising Center 509 Gruening Bldg. www.uaf.edu/advising advising@uaf.edu</p>	<p>(907) 474-6396 or (888) 823-8780</p>	<p>Serving pre-major, baccalaureate, general studies, pre-professional and other general advising.</p>
<p>Rural Student Services Fairbanks Campus 200 Brooks Bldg. www.uaf.edu/ruralss/ fyrss@uaf.edu</p>	<p>(907) 474-7871 or (888) 478-1452</p>	<p>Serving students in all programs from rural Alaska and campus-based Alaska Native students.</p>
<p>Rural Campus Advising Bristol Bay Campus, Dillingham Chukchi Campus, Kotzebue Interior-Aleutians Campus, Fairbanks Kuskokwim Campus, Bethel Northwest Campus, Nome</p>	<p>(800) 478-5109 (800) 478-3402 (888) 474-5207 (800) 478-5822 (800) 478-2202</p>	<p>Serving students enrolled in all programs offered at UAF's rural campuses.</p>
<p>UAF-Tanana Valley Campus (TVC) Student Assistance & Advising Center 604 Barnette St www.tvc.uaf.edu fytvc@uaf.edu</p>	<p>(907) 455-2800 or (877) 882-8827</p>	<p>Serving students in all associate programs (including AAS and AA General Program), certificate programs, occupational endorsement, and general advising.</p>

If you have been admitted to a Bachelor's degree program in a specific major, you will want to speak to an advisor in your academic department. Remember, students are *required* to contact their advisor before registering for classes each semester.
