Purpose:
This is an annual review of the general TechPrep Agreement between the University of Alaska Fairbanks Community & Technical College, the Anchorage School District and West Anchorage High School.

1. The Anchorage School District will follow a curriculum coordinated with the administration and faculty of the University of Alaska Fairbanks Community & Technical College pertaining to the following courses:

<table>
<thead>
<tr>
<th>UAF Course Title</th>
<th>UAF Credit</th>
<th>Anchorage School District Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>PRT F101 Introduction to Process Tech</td>
<td>2</td>
<td>HR 40 Process Technology</td>
</tr>
</tbody>
</table>

2. The Anchorage School District will teach the course with the agreed upon outcomes.
3. Students must complete the entire yearlong course in order to receive UAF Credit for PRT F101.
4. The UAF grade posted will be the grade earned in the Anchorage School District course in that semester.
5. Students must receive a grade of "A" or higher in order for the course to count in a university degree program.

Please send any changes to the TechPrep course offerings (course title, syllabus content, outcome, or instructor) to Michelle Wilkerson mwilken@alaska.edu or call 907-455-2850, to ensure that the courses articulate within the programs as designed.
