

# Bristol Bay Campus

## RD 492 Understanding the Legislative Process -in Juneau, AK (2\*) credits. JAN 29-FEB 4, 2012

### Spring 2012 Seminar

#### This field-based course will cover:

- The theoretical, formal and operation of the Alaska State Legislature and actual practical operations of the legislative process.
- Perspectives on the legislative process from practitioners-legislators, lobbyists, members of the governor's staff, department personnel, etc
- How to deal effectively with the legislature and evolving relationships between incoming administrations and the legislature.
