

Apply NOW for the *Ruth Lister Scholarship*

\$3,000 WILL BE AWARDED FOR THE 2012/2013 ACADEMIC YEAR

The Ruth Lister Scholarship is awarded to applicants who are single mothers attending UAF CTC, who can show financial need and a commitment to their studies.

Ruth Lister, Ph.D., was associate dean of UAF's School of Continuing Education and then director of the UAF Tanana Valley Campus (now UAF Community and Technical College) for nearly a decade. A feminist, activist and single mother, she worked tirelessly as a professional and a volunteer to improve conditions and opportunities for Alaska's women and children. She died in 2002 after an eighteen year battle with cancer. Colleagues, family and friends established this needs-based scholarship in her memory to benefit single mothers who are attending UAF CTC, with a preference for Alaska residents and students enrolled in vocational programs.
