JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campus-wide curriculum committees is to scrutinize course change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a prerequisite, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

This change is a result of writing placement changes approved by the Faculty Senate Fall 2013, which align UAF’s writing placement ranges with those of UAA/UAS. Because the new placement scores combine reading and sentence skills scores, and because research indicates that reading and writing skills support and enhance each other, students will be placed in DEVE 060 and DEVS 052 as co-requisites. This change also updates the course description so that it is more detailed and better reflects the content of the course as currently taught, the new placement process, and co-requisites.
