Linda Curda – CRCD Academic Council Chair AY2010

Julie Maier – CRCD Academic Council Vice Chair AY 2010

Ed Husted – TVC Curriculum Council Chair AY2010

Below are the full-time faculty associated with programs listed by current divisions and departments in CRCD. (Any corrections can be forwarded to [jamajors2@alaska.edu](mailto:jmajors2@alaska.edu) (474-7881). Faculty program coordinators (indicated by \*\*\*) review academic processes in that program; i.e., petitions, readmits, instructor approvals. The dean will assign exceptions where the course designator does not fall under a fully developed academic program.

Division heads and department chairs schedule discussions among the program coordinators and their faculty, then forward documentation of academic processes to the CRCD academic council. Academic decisions will begin at the various campus curriculum committees, then reviewed by the CRCD Academic Council, before being approved by Executive Dean Joseph for review, processing and forwarding to the appropriate office or department beyond the college.

The council chair has delegated review and approval authority over certain programs (primarily activities in TVC) to the TVC curriculum committee. This list will be reviewed annually for modification to the process in order to create better efficiencies. These changes will be incorporated into the CRCD Red Book. Date of last revision is listed in the footer of these pages.

Along with faculty affiliation, location and contact information, you will also find a brief explanation of each program, its designated coordinator and review council. The listing is designed to facilitate communication between faculty among and between divisions. We are still operating under the division structure.

For more information, you can contact the office of the Associate Vice Chancellor of Rural, Community and Native Education for CRCD Academic Affairs at 474-7089 or [pppinney@alaska.edu](mailto:pppinney@alaska.edu) .

The Developmental Education Department collaborates on the academic integrity of offerings with the ABE, DEVE, DEVM, and DEVS designators. Faculty on each campus coordinate offerings through the department chair and campus directors to ensure faculty have a full complement of their workload and address concerns over cross-regional and campus offerings to maintain choice and access for students. At the current time, each campus designates a point person for this coordination to work with the department chair. Currently, Jane Weber serves in a dual role as Fairbanks campus coordinator and department chair. (\*\*\*) indicates campus coordinator.)

**The Humanities Division coordinates offerings of academic program designators that typically fall under College of Liberal Arts review and assessment. ASLG, APAR, APHO, RELG are designators currently associated with CRCD. RECR courses have been inherited from the Athletics Dept. All are taught on various campuses, but there is no formal degree program in those areas. The division chair coordinates with the appropriate academic councils and campus directors to ensure faculty have a full complement of their workload and that cross-regional and campus offerings maintain choice and access for students. (\*\*\*) indicates campus coordinator.)**

**The Social Sciences division coordinates the academic integrity of the Rural Human Services, TVC Human Services, statewide Early Childhood Education and TVC Early Childhood AAS and Child Development and Family Studies BA degrees. The exception to that would be SWK and PSY designators, which fall under the College of Liberal Arts. The division chair coordinates with CRCD council members to ensure faculty have a full complement of their workload and that cross-regional and campus offerings maintain choice and access for students. For ECE: Veronica Plumb is the coordinator for Distance ECE AAS and Child Development and Family Studies BA; Patty Meritt is the coordinator for offerings at the TVC Campus. For HUMS: Leona Schick is the coordinator for Statewide Distance Delivery; Diane McEachern is the coordinator for Statewide Cohorts; Barbara Price is the coordinator for offerings at the TVC campus. (\*\*\*) indicates coordinator.)**
