## Special Requirements

Special Requirements: Internet courses have special requirements. Please e-mail Dick at dellsworth@nwarctic.org to set up a REQUIRED one hour pre-class workshop. During class, you must be able to talk on the phone and access the Internet at the same time. If participating from home, DSL is strongly recommended. Required: a Windows or Mac computer (less than 3 years old) with a working sound card, microphone, and headset. (Note: a headset with microphone will be mailed out with your books/materials) Also required: Microsoft Office (Word, Excel) installed; software from the Internet may also need to be downloaded. Computers found in school labs and many offices often have the above abilities but may need additional software installed by the Network Administrator.

## Ruthie Tatqaviñ Sampson

taught students through our Chukchi Campus as an affiliate faculty member since 1986. She was one of our region's few leading Iñupiaq authorities. In 2005 she joined the Chukchi staff and faculty as our Iñupiaq Coordinator and as an adjunct faculty she mastered and utilized the live internet software (eLive) to teach every one of her classes. She worked with the NANA Corporation to support the production of a Rosetta Stone Iñupiaq CD. This CD is currently utilized in CC's ESK 115 course. Tatqaviñ was a very kind and patient teacher and a very traditional Iñupiat woman. She unexpectedly passed away in November 2008. Her influence in our region and within our campus has not faded. Her spirit is with us.

*“Tatqavin will always be remembered by many who knew her. Her memory will stay fresh in our hearts as we continue in our daily lives wherever we may be. Yes, she has placed herself in our hearts one by one, no more or no less. Each one of us have been touched by her personality, her love for our language and culture, and she have influenced us all to want to do more for our people. Taikuu tatqavin, we will remember you always.”*

—Wynona Hawley of Kivalina (Ikayugausin)
