**Is this your first time here?**

Hi! For full access to learning programs you'll need to take a minute to create a new account for yourself on this web site.

How to register for our site:

- Fill out the Registration form with your details, including the institution code you were given.
- Select the course you want to participate in.
- You can now access the full learning program. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any learning programs you are enrolled in.

STEP 2. Click on **Create new account**.

STEP 3. Enter code: 0290-UN37-XY12

STEP 4. Fill out the form

STEP 5. Scroll down to click on the training, see figure below

A screenshot of a website's training catalog. At the top is a banner with the text 'Your School Solution for Workplace Learning' and a sub-header 'Welcome to your home for learning programs that reflect real experiences at schools. Explore our programs'. Below the banner are six training cards, each with a title, a brief description, and a 'Launch Learning Program' button. The card for 'Protecting Children from Sexual Misconduct' is circled in blue. The other cards are: 'Contracting and Risk Allocation', 'Short-Term International Programs', 'Driver Safety', 'Student Threat Assessment Teams', and 'Teaching Science Safely'.

**Your School Solution for Workplace Learning**  
Welcome to your home for learning programs that reflect real experiences at schools. Explore our programs

**Contracting and Risk Allocation**  
Promote good contracting practices. Use indemnification and insurance.

**Short-Term International Programs**  
Preparing and planning for short foreign trips with students.

**Driver Safety**  
Prepare, mitigate risks, and exercise good driving habits.

**Student Threat Assessment Teams**  
Establish an effective team to report, document, and intervene with troubled students.

**Protecting Children from Sexual Misconduct**  
Prevent sexual abuse and inappropriate behavior by educators and other adults.

**Teaching Science Safely**  
Learn how administrators and instructors can protect students and others from harm in science labs and classrooms.

## Protecting Children from Sexual Misconduct Independent K-12

Prevent sexual abuse and inappropriate behavior by educators and other adults. *SM-101 takes approximately one hour to complete. SM-201 takes approximately two hours to complete.*

To launch the courses below, be sure set your pop-up blocker to allow [www.uecampussolutions.org](http://www.uecampussolutions.org).

### Protecting Children from Sexual Misconduct

Take a Course

Showing 1 to 2 of 2
