See http://www.uaf.edu/uafgov/faculty/cd for a complete description of the rules governing curriculum & course changes.

A. CHANGE IN DEGREE REQUIREMENTS: (Brief statement of program/degree changes and objectives)

Change the name of the degree from M.S., M.A.T. Biology to M.S., M.A.T. Biological Sciences in order to have a consistent name of all degrees within the Biology and Wildlife Department.

B. CURRENT REQUIREMENTS AS IT APPEARS IN THE CATALOG:

We are not changing any of the requirements for the degree.

C. PROPOSED REQUIREMENTS AS IT WILL APPEAR IN THE CATALOG WITH THESE CHANGES:

(Underline new wording strike-through-old-wording and use complete catalog format)

BIOLOGICAL SCIENCES BIOLOGY

D. ESTIMATED IMPACT

WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

This name change will not have any impact on the budget, facilities/space, or faculty.
E. IMPACTS ON PROGRAMS/DEPTS:
What programs/departments will be affected by this proposed action?
Include information on the Programs/Departments contacted (e.g., email, memo)

This proposed name change will not have an effect on any other department.

F. IF MAJOR CHANGE - ASSESSMENT OF THE PROGRAM:
Description of the student learning outcomes assessment process.)

JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize program/degree change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a course, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the program is not compromised as a result.

The Dept of Biology and Wildlife currently offers BA, BS and PhD programs in “Biological Sciences”, but MS and MAT programs in “Biology”. There is no reason for the distinction and it is confusing to students who look in the catalog, for example, and have to remember that these degrees are not grouped together because of the different names. This change will put all programs under one name.

APPROVALS:

Signature, Chair, Program/Department of: Biology and Wildlife
Date 9/17/2010

Signature, Chair, College/School Curriculum Council for: CNSM
Date 9/24/2010

Signature, Dean, College/School of: CNSM
