TRIAL COURSE OR NEW COURSE PROPOSAL

SUBMITTED BY:
Department: Civil and Environmental Eng.  
Prepared by: Robert Perkins  
Email Contact: raperkins@alaska.edu

College/School: CEM  
Prepared by: Robert Perkins  
Faculty Contact: Robert Perkins

1. ACTION DESIRED (CHECK ONE): 
   Trial Course  New Course  X

2. COURSE IDENTIFICATION: 
   Dept: CE  Course #: F651C  No. of Credits: 1

   Justify upper/lower division status & number of credits: 
   Course is intended for professional students who are college graduates. Credits are based on contact minutes and content. They are roughly one-third of a regular three-credit graduate course.

3. PROPOSED COURSE TITLE: Construction Claims Case Studies.

4. To be CROSS LISTED? YES/NO  No

   (Requires approval of both departments and deans involved. Add lines at end of form for such signatures.)

5. To be STACKED? YES/NO  No

6. FREQUENCY OF OFFERING: As demand warrants

7. SEMESTER & YEAR OF FIRST OFFERING (if approved) As demand warrants

8. COURSE FORMAT:

   COURSE FORMAT: (check all that apply) 
   1 2 3 4 5 6 weeks to full semester

   OTHER FORMAT (specify) 
   Two 2 hour and 15 minute lectures per week for three weeks delivered face-to-face or via video conferencing.

   Mode of delivery (specify lecture, field trips, labs, etc) 
   Lectures

9. CONTACT HOURS PER WEEK: 
   4.5 LECTURE hours/weeks  N/A LAB hours/week  N/A PRACTICUM hours/week

   Note: # of credits are based on contact hours. 800 minutes of lecture=1 credit. 2400 minutes of lab in a science course=1 credit. 1600 minutes in non-science lab=1 credit. 2400-4800 minutes of practicum=1 credit. 2400-8000 minutes of internship=1 credit. This must match with the syllabus. See http://www.uaf.edu/uafgov/faculty/cd/credits.html for more information on number of credits.

   OTHER HOURS (specify type) 
   N/A
CE F651C, Construction Claims Case Studies, 1 credit
This course reviews and analyzes a variety of construction contract claims from the annals of the Alaska Department of Transportation and Public Facilities and other owner organizations. Case reviews, exercises, guest speakers.

11. COURSE CLASSIFICATIONS: (undergraduate courses only. Use approved criteria found on Page 10 & 17 of the manual. If justification is needed, attach on separate sheet.)

H = Humanities ☐
S = Social Sciences ☐

Will this course be used to fulfill a requirement for the baccalaureate core?
YES ☐
NO ☐

IF YES, check which core requirements it could be used to fulfill:
O = Oral Intensive, Format 6 ☐
W = Writing Intensive, Format 7 ☐
Natural Science, Format 8 ☐

12. COURSE REPEATABILITY:

Is this course repeatable for credit? YES ☐
NO ☐

Justification: Indicate why the course can be repeated (for example, the course follows a different theme each time).

How many times may the course be repeated for credit? TIMES ☐

If the course can be repeated with variable credit, what is the maximum number of credit hours that may be earned for this course? CREDITS ☐

13. GRADING SYSTEM: Specify only one.
LETTER: X ☐
PASS/FAIL: ☐

14. PREREQUISITES
None

These will be required before the student is allowed to enroll in the course.

RECOMMENDED
Admission to the Graduate Certificate in Construction Management program

Classes, etc. that student is strongly encouraged to complete prior to this course.

15. SPECIAL RESTRICTIONS, CONDITIONS

16. PROPOSED COURSE FEES
$ ☐

Has a memo been submitted through your dean to the Provost & VCAS for fee approval? Yes/No ☐

17. PREVIOUS HISTORY
Has the course been offered as special topics or trial course previously? Yes/No ☐

If yes, give semester, year, course #, etc.: March 2009, CE F693 ☐

18. ESTIMATED IMPACT
WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

These courses were approved by the Board of Regents for special tuition and are expected to be self-supporting.

19. LIBRARY COLLECTIONS
Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.

No ☐
Yes ☐

No library involvement
20. IMPACTS ON PROGRAMS/DEPTS
What programs/departments will be affected by this proposed action?
Include information on the Programs/Departments contacted (e.g., email, memo)
The Graduate Certificate in Construction Management and its courses was approved by the CEE faculty and the CEM dean.

21. POSITIVE AND NEGATIVE IMPACTS
Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.
This course follows the New Degree Program Request which examined the growth in the CEE department. No additional positive or negative impacts from this course are likely.

JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

This course is part of a UAF CEE outreach to package our graduate classes in a way that is convenient to students and their employers. This outreach was formalized in a New Degree Program Request for a Graduate Certificate in Construction Management which was approved by the UA Board of Regents in September 2009. The courses in this program grew out of a needs assessment by UAF CEE of Alaska engineering employers, including governments, consultants, and contractors, that indicated that courses of about one credit’s intensity were best. The classes are being taught by UAF faculty, emeritus faculty, or appropriate adjuncts approved by the CEE faculty and Chair. All classes feature an assessment process: tests, reports, presentations, and/or graded homework.

APPROVALS:

Signature, Chair, Program/Department of: ___________________________ Date: ______

Signature, Chair, College/School Curriculum Council for: ___________________________ Date: ______

Signature, Dean, College/School of: ___________________________ Date: ______

Signature of Provost (if applicable) ___________________________ Date: ______

Offerings above the level of approved programs must be approved in advance by the Provost.

Course Syllabus – Construction Claims Case Studies

1. Course Information

Construction Claims Case Studies. CE 651C. 1 credit. Prerequisites (recommended): BS in engineering, science, or any college degree with construction experience. Location: UAF Center for Distance Education. Meeting time: 3:00 to 5:15 (6 meetings @ 135 minutes)

2. Instructor

Dr. F. Lawrence Bennett, P.E. Office: Duckering 235 Office hours: 2:00 to 3:00 PM Monday & Wednesday  907-479-5118 benco@alaska.net

3. Course readings/materials

Selected papers from the professional literature will be assigned.

The following will be available as references:

4. Course description

The course was developed as a result of a needs assessment by UAF CEE of Alaska engineering employers, including governments, consultants, and contractors. The catalog description is as follows: CE 693. Construction Claims Case Studies. This course reviews and analyzes a variety of construction contract claims from the annals of the Alaska Department of Transportation and Public Facilities and other owner organizations. The course will emphasize issues related to bridge construction in Alaska. Case reviews, exercises, guest speakers.

5. Course Goals (General):

• Provide familiarity with a variety of actual Alaskan construction contract claims and the processes by which they were resolved.

   Student Learning Outcomes (More specific):

• Understand the construction contract claims process as it applies to Alaskan construction

• Develop an appreciation for the viewpoints of both parties to a contract dispute

• Become better prepared to deal with construction claims as a construction administrator

6. Instructional Methods

The course will utilize a combination of lecture, discussion, student reports, and exercises. Guest speakers will be invited to make presentations on topics within their areas of professional expertise and experience.
7. Course Calendar

Class 1
Course introduction
Claims process
Discussion of sample claim

Class 2
Guest speaker from DOTPF on two sample claims
Review of reading assignment
Assignment and discussion of exercises

Class 3
Review of reading assignment
Assignment and discussion of individual final project
Panel discussion of claims from owner and designer viewpoint

Class 4
Review of reading assignment
Guest speaker from legal profession
Additional claims case studies

Class 5
Claim hearing exercises, led by real-life hearing officer
Additional claims case studies

Class 6
Student reports on final project
Class summary

8. Course Policies

Plagiarism will not be tolerated. Attendance is expected and will be considered in determining the final grade.

9. Evaluation

The final grade will be determined on the following basis:

- Final report (written: 35%; oral: 15%) 50%
- Contribution to exercises 25%
- Class participation 13%
- Attendance (6 @2%) 12%

10. Support Services

No special support services will be required.

11. Disability Services

We will work with the Office of Disability Services to provide reasonable accommodation to students with disabilities.
