We have a smart classroom and all media are available online or through the library

20. IMPACTS ON PROGRAMS/DEPTS

What programs/departments will be affected by this proposed action?

Include information on the Programs/Departments contacted (e.g., email, memo)

The anthropology department will require this as a course for the BS and BA in the new curriculum (also being submitted Spring 2011). No other department or program will be impacted.

21. POSITIVE AND NEGATIVE IMPACTS
Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.

Positive: This adds a new course to the curriculum at UAF in Liberal Arts that is often a national requirement for the BA degree at other universities.
Negative: This course does not compete with existing courses in the curriculum.

JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

We are revamping our BS and BA curriculum to reflect contemporary needs in anthropology and improve the quality of training of our students to be competitive on the job market or in graduate school. The lack of an anthropology course on race at UAF is a major oversight as all students in anthropology should have taken at least one course in their undergraduate education that addresses this contemporary social issue. This improves the quality of undergraduate education at UAF in anthropology (and for students who elect to enroll in this course as an elective).

II. Course Policies

Email: Please see the UAF Class Schedule for the official policy regarding communication by email. You must regularly check your UAF email or forward mail from your UAF address to an address you check regularly. You are responsible for knowing-and, when appropriate, acting on-the contents of all university communications sent to your official UAF email account. For forwarding information, go to www.alaska.edu/oit/email/email_forwarding.xml

Blackboard: You are required to check Blackboard daily. Any changes to the course schedule will be posted to BB as will any extra readings, important course announcements, and general information. I may
not always email changes or notice of changes/updates, but I will try! Please see the UAF Class Schedule for information on Blackboard or go to http://classes.uaf.edu or call ext 6564 or email helpdesk@alaska.edu

**Attendance:** Please see the UAF Class Schedule for the official policy on first day attendance. Exams in this course are derived from a combination of lectures, readings, and class discussions. My experience as a college professor has indicated that students who attend class regularly are more successful at passing courses that those who do not.

**Tardiness:** Please be punctual.

**Make-up Work/Late Penalties/Make-up Exams:** From time to time, there are extraordinary circumstances that prevent work being completed in a timely manner. Most often, lateness is due to poor time management. In the 'real' world, your tardiness could cost you a job, pay raise, etc. The late penalty is 10% starting the day the assignment is due. Example: your paper is due Tuesday at the start of the class (e.g., 11:30). If you turn it in at noon, your highest grade is now 90%. If you turn it in on Wednesday, the highest grade you can make is an 80%. If excused from an exam, your make-up will be a comprehensive final during the final exam slot.

**Plagiarism/Academic Integrity:** All work completed for this course must be original. I will provide links to online plagiarism quizzes so each student is clear on what this term encompasses. You can plagiarize yourself if you turn in work to one class that has already been turned into another class. When in doubt, cite it! See the UAF Class Schedule on the disciplinary actions resulting from misconduct. If you plagiarize, you will fail the assignment. Two instances of plagiarism will get you reported to the office of the Vice Chancellor of Student Life.
