or HLTH F261--Medical/Dental Office Reception Practicum (2)
and HLTH F267--Medical Assisting Externship Completion (2 - 4)--4 credits
Approved HLTH, CIOS, ABUS, HUMS, DEV's or COMM elective--3 - 7 credits

D. ESTIMATED IMPACT

WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

This course already exists online. There will be no impact in budget, facility or faculty workload.

E. IMPACTS ON PROGRAMS/DEPTS:

What programs/departments will be affected by this proposed action?
Include information on the Programs/Departments contacted (e.g., email, memo)

No major impact will be placed on any program. This change will actually cut down on the amount of
petitions written.

F. IF MAJOR CHANGE - ASSESSMENT OF THE PROGRAM:

Description of the student learning outcomes assessment process.)

JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campus-wide curriculum committees is to scrutinize program/degree change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a course, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the program is not compromised as a result.

Adding HLTH F130 as an option to this certificate increases the student’s choices for the computer requirement. HLTH F130 Medical Office Technology was designed to give the health student a broad knowledge of different electronic medical record programs as well as the basic computer skills in CIOS F150.
