Course Description:
The course focuses on educational technology and applications as a resource for the delivery of instruction to enhance student learning. The course is designed for participants who will use technology tools to create and implement instructional material in a variety of media to support and assess learning, including distance educational media and methods, and to provide tools to enhance professional productivity, collaboration and communication. Participants will create a professional electronic portfolio that demonstrates professional development and achievement relative to the ISTE National Technology Standards for Students and Teachers, Alaska Education Standards and integrated with Standards for Culturally Responsive Schools. Students will begin the process of developing the required electronic portfolio based on the eight Alaska Teacher Standards which will be completed in EDSC 643. Prerequisite, admission to the Internship Year.

Course Goals and Student Learner Outcomes:
The goal of this course is to introduce participants to educational technology strategies and resources to deliver, enhance and assess learning.

-Participants will be able to implement at an initial level, technology tools to assist in instruction.

-Participants will set up a media-rich electronic portfolio utilizing Live Text.

-Participants will consider their places as instructional facilitators in technology rich classroom classrooms

Instruction Methods:
Instruction methods used in this course include lecture, small group discussion and application of instructional technology, Elluminate, LiveText and reflective writing.
**Student Resources Course Materials:**
Participants will need a laptop computer with wireless capability and a LiveText account. (Student membership is $99.) No course texts will be required as the majority of resources will be found online.

Software to complete assignments is available as system applications, available on the UAF Key Server or available for free from various Internet sources. For example, photo manipulation can be completed with iPhoto and Preview on Apple computers and a host of no cost cross-platform on-line resources (Picasa, SumoPaint, Aviary, etc.)

**Disability Statement:**
The University of Alaska Fairbanks is committed to equal opportunity for students with disabilities. Reasonable accommodation to students with disabilities will be arranged through the Office of Disabilities Services (208 Whitaker Bldg. 474-5655).

**Attendance Policy:**
Attendance is an essential requirement of this course and is the responsibility of the student. Class begins promptly and students are expected to be present at the beginning and at the end of each class session to receive full credit for attendance. Students are responsible for all class work and assignments. Inform the instructor if you have to be absent.

**Academic Integrity:**
High ethical Standards are essential for maintaining credibility. Every course at UAF seeks to maintain these standards, starting with on emphasis on producing original and factual work. Students who engage in scholastic dishonesty are subject to disciplinary penalties, including the possibility of failure in the course and expulsion from the University. Scholastic dishonesty includes but is not limited to cheating, plagiarism collusion and submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Since scholastic dishonesty harms the individual, all students and the integrity of the University, policies on scholastic dishonesty will be strictly enforced (Board of Regents Rules and Regulations).

**Student Support Services:**
For assistance, tutoring services and other student support resources please visit the website [http://www.uaf.edu/catalog/current/academics/regs1.html](http://www.uaf.edu/catalog/current/academics/regs1.html).

**Required Readings/Texts/Software**
The readings for this course are meant to be as current as possible. Therefore instead of a text book we will utilize research based Journal articles. This allows us to review and analyze some of the most current research regarding our work. These articles are available through the UAF Rasmuson Library or you may email me for the pdf versions of the readings.

Required Readings:

**Grading:**
Grading follows UAF academic regulations which can be found at [http://www.uaf.edu/catalog/current/academics/regs1.html](http://www.uaf.edu/catalog/current/academics/regs1.html)
