</table>

Stacked course applications are reviewed by the (Undergraduate) Curricular Review Committee and by the Graduate Academic and Advising Committee. Creating two different syllabi—undergraduate and graduate versions—will help emphasize the different qualities of what are supposed to be two different courses. The committees will determine: 1) whether the two versions are sufficiently different (i.e. is there undergraduate and graduate level content being offered); 2) are undergraduates being overtaxed? 3) are graduate students being undertaxed? In this context, the committees are looking out for the interests of the students taking the course. Typically, if either committee has qualms, they both do. More info online - see URL at top of this page.

6. FREQUENCY OF OFFERING:
As Demand Warrants
Fall, Spring, Summer (Every, or Even-numbered Years, or Odd-numbered Years) - or As Demand Warrants

<table>

Note: # of credits are based on contact hours. 800 minutes of lecture=1 credit. 2400 minutes of lab in a science course=1 credit. 1600 minutes in non-science lab=1 credit. 2400-4800 minutes of practicum=1 credit. 2400-8000 minutes of internship=1 credit. This must match with the syllabus. See http://www.uaf.edu/uafgov/faculty-senate/curriculum/course-degree-procedures-guidelines-for-computing/ for more information on number of credits.

OTHER HOURS (specify type)

10. COMPLETE CATALOG DESCRIPTION including dept., number, title, credits, credit distribution, cross-listings and/or stacking (50 words or less if possible):

**Example of a complete description:**

**FISH F487 W, O** Fisheries Management

3 Credits Offered Spring

Theory and practice of fisheries management, with an emphasis on strategies utilized for the management of freshwater and marine fisheries. Prerequisites: **COMM F131X or COMM F141X; ENGL F111X or ENGL F211X; ENGL F414; FISH F425; or permission of instructor. Cross-listed with NRM F487. (3+0)**

**RECR F170Q Introduction to Dog Mushing**

1 credit Offered As Demand Warrants

This course is designed for students who have little to no experience in dog mushing and are interested in learning the basics of dog sledding in Alaska. Topics to be covered include: Techniques for operating a sled dog kennel; Introduction to sled dog management and maintenance; Hands-On Instruction on how to hook up and drive a team of 3 to 4 sled dogs; and offers an extended mushing experience. (0+3)

11. COURSE CLASSIFICATIONS: Undergraduate courses only. Consult with CLA Curriculum Council to apply S or H classification appropriately; otherwise leave fields blank.

H = Humanities

S = Social Sciences

Will this course be used to fulfill a requirement for the baccalaureate core? **If YES, attach form.**

<table>
<thead>
<tr>
<th>YES:</th>
<th>NO:</th>
</tr>
</thead>
<tbody>
<tr>
<td>X</td>
<td></td>
</tr>
</tbody>
</table>

IF YES, check which core requirements it could be used to fulfill:

O = Oral Intensive, **Format 6**

W = Writing Intensive, **Format 7**

Natural Science, ("X" for Core) **Format 8**

11.A Is course content related to northern, arctic or circumpolar studies? If yes, a "snowflake" symbol will be added in the printed Catalog, and flagged in Banner.

<table>
<thead>
<tr>
<th>YES</th>
<th>NO</th>

14. PREREQUISITES
Must be enrolled with the Black Spruce Dog Sledding.
These will be required before the student is allowed to enroll in the course.

15. SPECIAL RESTRICTIONS, CONDITIONS
None

16. PROPOSED COURSE FEES
Has a memo been submitted through your dean to the Provost for fee approval? N
Yes/No

17. PREVIOUS HISTORY
Has the course been offered as special topics or trial course previously? Y
Yes/No
If yes, give semester, year, course #, etc.: Fall 13

18. ESTIMATED IMPACT
WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.
There will be no impact on budget, facilities/space, or faculty. This class is co-sponsored through Black Spruce Dog Sledding.

19. LIBRARY COLLECTIONS
Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.
No X Yes [ ] No impact on library collections.

20. IMPACTS ON PROGRAMS/DEPTS
What programs/departments will be affected by this proposed action? Include information on the Programs/Departments contacted (e.g., email, memo)
There are no expected impacts on other programs or departments.

21. POSITIVE AND NEGATIVE IMPACTS
Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.
Positive impacts include a RECR course that is particular to an Alaskan way of life.

JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.
There is a demand for a RECR course so representative of Alaskan culture.
APPROVALS: Add additional signature lines as needed.

Signature, Chair, Program/Department of: RECR/CTC

Date 9-24-13

Signature, Chair, College/School Curriculum Council for: CTC

Date 9-25-13

Signature, Dean, College/School of: CRCD

Date 9/27/13

Offerings above the level of approved programs must be approved in advance by the Provost.

ATTACH COMPLETE SYLLABUS (as part of this application). The guidelines are online: http://www.uaf.edu/uafgov/faculty-senate/curriculum/course-degree-procedures/uaf-syllabus-requirements/
The Faculty Senate curriculum committees will review the syllabus to ensure that each of the items listed below are included. If items are missing or unclear, the proposed course (or changes to it) may be denied.

SYLLABUS CHECKLIST for ALL UAF COURSES
During the first week of class, instructors will distribute a course syllabus. Although modifications may be made throughout the semester, this document will contain the following information (as applicable to the discipline):

1. Course information:
   - Title, □ number, □ credits, □ prerequisites, □ location, □ meeting time (make sure that contact hours are in line with credits).

2. Instructor (and if applicable, Teaching Assistant) information:
   - □ Name, □ office location, □ office hours, □ telephone, □ email address.

3. Course readings/materials:
   - □ Course textbook title, □ author, □ edition/publisher.
   - □ Supplementary readings (indicate whether □ required or □ recommended) and □ any supplies required.

4. Course description:
   - □ Content of the course and how it fits into the broader curriculum;
   - □ Expected proficiencies required to undertake the course, if applicable.
   - □ Inclusion of catalog description is strongly recommended, and □ Description in syllabus must be consistent with catalog course description.

5. □ Course Goals (general), and (see #6)

6. □ Student Learning Outcomes (more specific)

7. Instructional methods:
   - □ Describe the teaching techniques (eg: lecture, case study, small group discussion, private instruction, studio instruction, values clarification, games, journal writing, use of Blackboard, audio/video conferencing, etc.).

8. Course calendar:
   - □ A schedule of class topics and assignments must be included. Be specific so that it is clear that the instructor has thought this through and will not be making it up on the fly (e.g. it is not adequate to say “lab”. Instead, give each lab a title that describes its content). You may call the outline Tentative or Work in Progress to allow for modifications during the semester.

9. Course policies:
   - □ Specify course rules, including your policies on attendance, tardiness, class participation, make-up exams, and plagiarism/academic integrity.

10. Evaluation:
    - □ Specify how students will be evaluated, □ what factors will be included, □ their relative value, and □ how they will be tabulated into grades (on a curve, absolute scores, etc.) □ Publicize UAF regulations with regard to the grades of "C" and below as applicable to this course. (Not required in the syllabus, but may be a convenient way to publicize this.) Faculty Senate Meeting #171:
      http://www.uaf.edu/uafgov/faculty-senate/meetings/2010-2011-meetings/#171

11. Support Services:
    - □ Describe the student support services such as tutoring (local and/or regional) appropriate for the course.

12. Disabilities Services: Note that the phone# and location have been updated.
The Office of Disability Services implements the Americans with Disabilities Act (ADA), and ensures that UAF students have equal access to the campus and course materials.
    - □ State that you will work with the Office of Disabilities Services (208 WHITAKER BLDG, 474-5655) to provide reasonable accommodation to students with disabilities.

8/1/2012
Introduction to Dog Sledding

1 credit
RECR 170Q

This course is offered by Black Spruce Dog Sledding through the University of Alaska - Fairbanks, CTC and DRAW

Course Instructors: Jeff Deeter & KattiJo Fetting
Black Spruce Dog Sledding
(Physical Address to be announced)

Contact: 907 315 4167
blacksprucedogsledding@gmail.com

Cost: the cost of enrollment through Black Spruce Dog Sledding, currently $500

Prerequisites: There are no prerequisite courses for enrollment in this course, and students as well as community members are encouraged to enroll. All participants are expected to be able to walk unaided in extreme winter conditions, lift at least 30 pounds and speak fluent English.

Enrollment Numbers: At this point, we are hoping to maintain a 1:1 instructor to student ratio. Therefore, only two students per Class can be enrolled at a time. If you wish to enroll, but find that the class is full, please email us regarding other options.

Course Description: This Pass/Fail course is designed for students who have little to no experience in dog mushing and are interested in learning the basics of dog sledding in Alaska. Topics to be covered include:

- Techniques for operating a sled dog kennel
- Introduction to sled dog management and maintenance (when applicable)
- Hands-On Instruction on how to hook up and drive a team of 3 to 4 sled dogs
- Experience in overnight camping with sled dogs

The course is offered primarily in a 2 week “intensive” style format, with class being held during four 3.5 hour sessions and one final 28 hour Overnight Experience. Details follow below. Class will operate outdoors only. Please see “Preparation” section for details on how to dress.

Course Goals and Objectives: By the end of the course, students should have a basic understanding for how to feed and care for sled dogs, as well as how to structure a sled dog kennel including special considerations to be taken for intact males, females in heat and puppies. Students will be able to identify equipment used in dog sledding, know how to interact with sled dogs both on and off of the line, and know how to hook up and drive a small dog team.

Instructional Methods: There will be a combination of lecture, question-and-answer, demonstration and hands-on learning that occur in this course.

Course Policies and Procedures: This class is offered in a Pass/Fail style format. Students will be evaluated on their attendance, ability to safely drive their assigned dog team, and provide care for their dogs as well as their gear. Due to the intensive nature of the course, and the specific needs of the sled dogs, any absences or extreme tardiness from class will result in a failing grade and lab fees will not be refunded to the student.
Preparation:

Clothing
The course will operate outdoors only. There will be no inside time and students should dress appropriately for a cold, snowy Interior winter. Some outer gear may be provided upon request. Please email instructors if you are interested in this option. Students should also remember to wear clothing that is durable and can get stained and ripped. Please do not hesitate to email the course instructors if you have any questions or concerns about this. Students whom are not deemed appropriately dressed by the instructors will not be permitted to participate in class. Your “dress” should include:

- Synthetic, thermal base layers
- Warm socks that fit comfortably in your
- Snowpants
- Boots
- Mittens
- Parka (you may also want a lighter jacket underneath this if you can make it fit comfortably)
- Fur Ruff and/or Neck Gator
- Hand/foot warmers
- Ear plugs
- Headlamp with fresh, lithium batteries
- Cameras: these are best during the overnight experience portion of the class

Text
While there are currently no reading requirements for this class, interested students are encouraged to look at Dog Driver by Miki and Julie Collins and Winterdance by Gary Paulsen.

Transportation
Please allow plenty of time for travel to and from class on the wintery roads. Also, it is strongly encouraged that students use a vehicle with 4 Wheel Drive or All Wheel Drive capabilities for getting to and from class. If you need help arranging this, please let us know. Class will take place in the Fairbanks area, primarily at Black Spruce Dog Sledding. Directions will be emailed to students upon enrollment.

Course Dates and times:
First day of class is Monday, November 4th, 2013. Last day of class is Sunday, November 17th.
Mondays and Wednesdays from 6 pm to 9:30 pm
Overnight Experience on Sat. Nov. 16th from 10 am to Sun. Nov. 17th at 2 pm

Night 1
Orientation to kennel organization
Orientation to dog sledding equipment
2-5 mile guided mush with instructors driving sled
Sled dog care

Night 2
5 - 10 mile guided mush with instructors as passengers in sled
Sled dog care
Night 3
10 - 15 mile mush with students driving their own sled
Sled dog care

Night 4
10-15 mile mush with students driving their own sled
Discuss preparations for Overnight Experience
Sled dog care

Overnight Experience
This experience will take place in the Fairbanks area.
Specific details on where to go, how to get there and what to bring will follow in a class email.

Grading Criteria
This is a pass/fail graded class. A student needs to comply with attendance policy, complete written assignments and earn 75 out of a possible 100 points to pass this course.

Breakdown of points:
Attendance & Participation          75
Overnight experience planning and skills  25

Support Services:
Jeff and Kattjo are happy to answer any questions or concerns you may have regarding this course. Please call or email as needed.

UAF has a Disability Services office that operates in conjunction with the UAF Community and Technical College. Disability Services, located in room 208 of the Whitaker Building, provides academic accommodations to enrolled students who are identified as being eligible for these services. If you believe you are eligible, please visit http://www.uaf.edu/disability on the web or contact CTC’s student Assistance and Advising Center (455-2800). You can also contact Disability Services on the Fairbanks Campus at (907) 474-5655, uaf-disabilityservices@alaska.edu
Professional Experience

Business Owner & Operator
Black Spruce Dog Sledding, Fairbanks, Alaska
1/13 - Present
• Direct private dog sled tours throughout Alaska’s interior, focusing on multi-day experiences.
• Interact with paying clients from start to finish of the tour, introducing them to the sport of dog mushing and how to handle sled dogs in extreme conditions.
• Manage kennel and equipment aspects of the business, including feeding and maintaining 20+ dogs.

Sled Dog Kennel Owner & Operator
Quick Step Kennel, Wasilla, Alaska
2008 Iditarod Trail Sled Dog Race Veteran
5/04 - 9/10
• Manage all aspects of kennel containing 25 to 45 dogs.
• Tasks include feeding, watering and cleaning animals twice a day, along with maintaining living environment.
• Manage kennel finances for each season, and supply 100 percent of income for the kennel.
• Train dogs three to five times per week at a distance of five to 100 miles per training session.
• 2008 Iditarod Veteran, finishing in 12 days, 13 hours; 59th place.
• Finisher of over a dozen sled dog races ranging between 150 and 1000 miles.

Maintenance Technician
JL Properties, Fairbanks, Alaska
12/12 - 4/13; 09/10 - 04/11
• Restore apartments after tenants have vacated units. Work involves all aspects of interior repair including sheet rock, paint, trim, plumbing and electrical.
• Respond to tenant calls which involve working in occupied units attending to small issues as they arise (electrical, plumbing, doors, windows, etc.).
• 24 hour on call work, responding to emergencies in occupied units. Work is performed immediately and to the fullest extent possible.
Tour Guide
Alaska Heli-Mush, Juneau, Alaska
04/12 - 09/12; Seasons: 2011, 2007, 2006

- Live and work on the Norris Glacier in Juneau, operating guided dog tours for six to ten days at a time, often for more than twelve hours per day.
- Utilize strong interpersonal communication skills to interact professionally with guests on an individual basis.
- Tasks include loading and unloading provisions from A-star helicopters, maintaining a dog yard of over 300 animals, filling out and filing extensive documents on dog health care and material inventory.

Scanning Lead Supervisor
Vail Resorts, Keystone, Colorado
11/11 - 04/12

- Manage a group of 6 to 8 employees who are responsible for scanning lift tickets and verifying customer's identity.
- Responsible for organizing the daily schedule of employee group (giving breaks and lunches), fixing ticket issues, and communicating with lift operators and mountain security about domestic issues and trespasses.
- Job requires extensive customer service skills, along with a great amount of self-discipline and management ability.

Tour Guide
Alaska Excursions, Juneau, Alaska
05/10 - 09/10; Seasons: 2009, 2008

- Manage a kennel of 54 dogs, providing feed, care and supervision throughout the tour season.
- Run guided tours, of an hour and forty-five minutes, to clients visiting Juneau from around the world. Tour includes transportation via bus, guided dog ride, introduction to sled dogs, and kennel presentations to groups ranging in size from 10 to 25 guests.
- Additional tasks include managing company warehouse and maintaining inventory of supplies, operating company equipment, training new employees, and constructing and maintaining company outbuildings.

Lift Operator & Maintenance Employee
Birchhill Ski Area, Fairbanks, Alaska
01/09 - 04/09

- Operate lift of 200 chairs and 650 vertical feet.
- Service and maintain lift equipment when ski hill is not in operation.

Landscaper/Greenhouse Technician
Recluse Gardens, Wasilla, Alaska
05/05 - 09/05; Seasons: 2004, 2003

- Work as a general landscaper, planting trees, shrubs and flowers at different installations.
- Work in the greenhouse assisting customers to make informed decisions regarding individual projects and installations.
Education

Sophomore in History Program (2009)
University of Alaska Fairbanks, Fairbanks, Alaska

High School Graduate (2007)
Twindley Bridge High School, Wasilla, Alaska
Inter-Disciplinary Focus - 3.8 GPA
