ADD A STACKED LEVEL (400/600)
Include syllabi.

How will the two course levels differ from each other? How will each be taught at the appropriate level?:

Stacked course applications are reviewed by the (Undergraduate) Curricular Review Committee and by the Graduate Academic and Advising Committee. Creating two different syllabi—undergraduate and graduate versions—will help emphasize the different qualities of what are supposed to be two different courses. The committees will determine: 1) whether the two versions are sufficiently different (i.e. is there undergraduate and graduate level content being offered); 2) are undergraduates being overtaxed?; 3) are graduate students being undertaxed? In this context, the committees are looking out for the interests of the students taking the course. Typically, if either committee has qualms, they both do. More info online—see URL at top of this page.

9. ESTIMATED IMPACT

WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

None expected. The course hasn’t been taught in over 7 years, and has been removed from our required majors requirements for some time. We are deleting this moldy course so that the person who used to teach this is available to teach in the growing Film program.
10. LIBRARY COLLECTIONS
   Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.

   | No | X | Yes | | Hasn’t been taught for a long time. |

11. IMPACTS ON PROGRAMS/DEPTS:
   What programs/departments will be affected by this proposed action?
   Include information on the Programs/Departments contacted (e.g., email, memo)

   None expected. The course hasn’t been taught in over 7 years, and has been removed from our required majors requirements for some time. We are deleting this moldy course.

12. POSITIVE AND NEGATIVE IMPACTS
   Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.

   **Positive:** frees up faculty member to teach more film courses.
   **Negative:** original intent of course was to introduce students to the basic elements of design for theatre, but we have integrated this information into our design courses, so the negative impact should be minimal.

13. JUSTIFICATION FOR ACTION REQUESTED
   The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you ask for a change in # of credits, explain why; are you increasing the amount of material covered in the class? If you drop a prerequisite, is it because the material is covered elsewhere? If course is changing to stacked (400/600), explain higher level of effort and performance required on part of students earning graduate credit. Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

   The course hasn’t been taught in over 7 years, and has been removed from our required majors requirements for some time, and always had minimal enrollment even when it was required. We are deleting this moldy course so that the person who used to teach this is available to teach in the growing Film program.
