University of Alaska, Fairbanks
School of Education
“Preparing professional educators who are culturally responsive, effective practitioners”

ED486OW: Media Literacy
3 Credits – Writing and Oral Intensive

Website: http://classes.uaf.edu

ALL ED486 students MUST have a laptop computer readily available in class to complete work.

The Mission of the School of Education is to prepare professional educators who are culturally responsive, effective practitioners for Alaska’s Schools. Such educators have the following professional characteristics. They

- respond to the individual needs of the child,
- seek to develop the classroom as an inclusive community of learners,
- work collaboratively within the community of which the school is a part, and
- affirm the varied cultures and languages of Alaska’s children.

This course supports the UAF School of Education’s mission by providing students with the understandings and skills necessary to successfully address the diverse individual and cultural needs of Alaska’s students, schools, and communities.

COURSE DESCRIPTION:
Media literacy promotes the critical thinking skills that empower people to make independent judgments and informed decisions in response to information conveyed through the channels of mass communication. Emphasis is on the role of teachers in developing young students into critical viewers, listeners and readers of media.

This course is designated as both an Oral-Intensive (O) and Writing Intensive (W) course. This designation is evident by the “O” and “W” with the course number.

✓ In regards to the Oral Intensive requirements, ED486 students will be required to participate in the following activities that reflect growing competence with PUBLIC oral communication – over 15% of the final grade is determined by oral proficiency (A):

B. Students will lead three+ oral presentations of not less than 10 minutes: Chapter Overview, Book Share, and Unit Presentation.
C. Presentations will be followed by short “Question and Answer” sessions
D. Students will receive feedback from the instructor on presentations.

In regards to the Writing Intensive requirements, all the oral presentations will include a written component. The following will apply regarding the written assignments – (A) the majority of the final grade is determined by writing proficiency:

A. Students will complete an ungraded writing sample on or near the first day of class to help the teacher assess writing ability and general competence.
B. Students will complete one research-based project: Media Literacy Unit.
C. Students will meet individually with the teacher at least once during the term to discuss their writing.
D. Students will receive comments from the teacher and/or peers on drafts of written work. Students will be provided the opportunity to work through a draft-and-redraft process so that they can apply feedback and become more effective writers.
C. Students will meet individually with the teacher at least once during the term to discuss their writing.

B. Students will complete one research-based project: Media Literacy Unit.
All Alaska and UAF School of Education Standards and Performances for Culturally Responsive, Effective Practitioners are addressed in this course with special emphasis on standards 1, 2, 4, 7, and 9.

### Alaska Teacher Standards and UAF School of Education Teacher Programs Performances and Competencies

The Alaska Teacher Standards serve as the basis for the UAF Elementary Education program. Elementary faculty developed additional performances and competencies defining what a “minimally competent” teacher would look like understanding and demonstrating effective, culturally responsive practice. During the Elementary Internship year, students must demonstrate competency in each AK/UAF standards to earn licensure and meet degree requirements. The following rows include the standards and competencies related to this course.

GRADING
All assignments MUST be completed and turned in ON TIME. Rubrics will be provided for all assignments. All responses will be assessed in relation to depth, thoughtfulness, clarity and quality. Although UAF does give instructors the option to use +/- grades, I will not use those additional marks in determining your final grade. All work may be submitted 72 hours before the due date for narrative feedback intended to strengthen the final submission.

48-Hour Media Diary (Written/Oral Presentation):
This assignment will be first written and oral presentation due and will be “ungraded.” Students will be given narrative feedback along with a letter grade that will not count towards the overall grade for the class, but will allow students to learn the instructor’s expectations and allow the instructor to conduct an initial assessments of students strengths and challenges in writing and oral presentation.

ED486 students will keep note of their media use for one week day and one weekend day. What types of media do you use most often: newspapers, CDs, DVDs, books, the Web, email, MP3s, television, etc? What are you using it for? This is a start of noticing your personal use of media. This assignment will have two parts –

Part One: Collect written data for two days - one weekday and one weekend day.
Part Two: Write a 700+word post on your Blackboard wiki about your media use.
Assignment guidelines and rubric will be provided in class.
Part Three: Prepare a 5-7 minute oral presentation about the insights gained through this assignment to be shared with the class.

Chapter Overviews (Written/Oral Presentation):
Collaborating in small groups, students will prepare an individual 5-10 minute overview of an assigned chapter “jigsaw” section including key concepts from the chapter and important connections (Text-to-Text, Text-to-Self, Text-to-World). The chapter jigsaw overviews must be presented with visual support through presentation slides or other media format as approved by the instructor.

Deconstructing Media (Written Assignment):
As teachers of media literacy, we need to help students learn to view and interact with media critically. The Deconstructing Media area of the New Mexico Media Project will guide us in evaluating the media that we interact with on a monthly basis. Please see http://www.nmmlp.org/media_literacy/deconstructing_media.html

ED486 students will NOTICE their interaction with 3 different media: television programs, magazines, advertisements, radio, CDs, movies, video games, commercials, blogs, podcasts, etc. in any medium, both print and electronic. Students will complete 3 posts on their Blackboard wiki page - one monthly for each media. Each post must describe the piece of media in detail, including the context for viewing (about 1 paragraph) and response to 7 questions listed on the Deconstructing Media site: http://www.nmmlp.org/media_literacy/deconstructing_media.html After posting, each ED486 student will provide feedback to two peers by commenting on peer media blogs.

Book Share (Written/Oral Presentations):
Making connections to what we read is critical for comprehension, and actively learning about the media saturated culture in which we live is important for teachers to gain insights that lead to the development of engaging lessons that connect with the experiences of children. ED486 students will:

• choose a book published in the last 5 years from a suggested list. Students may read a book that is not on the suggested list with instructor approval.
• share with the class both orally (5-10 minute oral presentation) and in writing on their Blackboard wiki about the book. Students must share a brief summary as well as three major connections they made as they read the book: Text to Self, Text to Text and Text to World. See http://tinyurl.com/TextConnections for more details. Expectations for writing and oral presentations as described above will be the basis for the final grade of this assignment.
• respond to questions from class members and the instructor.
Media Literacy Unit (Written/Oral Presentation):
After the completion of the class chapter review presentations, ED486 students will research a media literacy topic of interest and create a 5+ lesson Media Literacy Unit. The Media Literacy Unit will help elementary age students understand a key topic in media literacy. Students will share a 10-15 minute oral overview of the unit with the class. Assignment guidelines and rubric will be provided in class.

OTHER POLICIES:

Attendance Policy
Students are expected to attend all classes and be actively involved in class discussions and class projects. In case of absence students are responsible for getting information from other students. Due to the high level of student group work involved in this class, regular attendance is very important and will be included in determination of the course grade. All handouts will be posted on the ED 486 Blackboard site. Students are expected to submit all assignments on time. Late assignments will be accepted only when students have an occasional legitimate and excused absence.

Plagiarism
The following is excerpted from the UAF Student Code of Conduct (BOR POLICY 09.02.02):
As with all members of the university community, the University of Alaska requires students to conduct themselves honestly and responsibly, and to respect the rights of others. Conduct that unreasonably interferes with the learning environment or that violates the rights of others is prohibited by the standards and guidelines described in this section and in University Regulation and MAU rules and procedures, collectively referred to as the Student Code of Conduct, or Code. Students and student organizations will be responsible for ensuring that they and their guests comply with the Code while on property owned or controlled by the university or at activities authorized by the university.
Disciplinary action may be initiated by the university and disciplinary sanctions imposed against any student or student organization found responsible for committing, attempting to commit, or intentionally assisting in the commission of prohibited forms of conduct including cheating, plagiarism, or other forms of academic dishonesty.

The University has established procedures for enforcing the UA code of conduct. Each student at the University shall be afforded due process in all disciplinary matters. For a complete guide to these procedures, please refer to Regents regulation 09.02. Copies of this are available at http://www.alaska.edu/bor/policy/09-02.doc.

Support Services
http://www.uaf.edu/ssp/
The Student Support Services (SSS) program located in 512 Gruening Building, provides opportunities for academic development, assists students with college requirements, and serves to motivate students towards the successful completion of their degree program.
Services include:
* Free tutorial services
* Instruction in mathematics skills
* Academic advising, mentoring and personal support
* Cultural and social engagement
* Use of laptop computers, labs, and other technology resources
* Direct financial assistance to qualified low-income participants
All services are provided free of charge to eligible students. Our program is staffed with both professional and certified student tutors.

Disabilities Services
http://www.uaf.edu/disability/
The University of Alaska Fairbanks is committed to equal opportunity for students with disabilities. Disability Services provide a variety of services to assure equal access for all students. Interpreting services, educational assistants, note taking, and exam accommodations for students are the most frequently provided accommodations. Disability services also provides assistance to the university's rural campuses; Tanana Valley Campus, Bristol Bay, Chukchi, Interior-Aleutians, Kuskokwim, and Northwest.

The staff of Disability Services works with faculty in arranging appropriate services in the classroom. Questions should be directed to the Director of Disability Services at (907)-474-5655.
