The UAF Faculty Senate passed the following at its Meeting #70 on March 10, 1997:

MOTION PASSED (unanimous)

The UAF Faculty Senate moves to amend the Evaluation of Educational Effectiveness policy as indicated below:

EFFECTIVE: Upon approval by the Chancellor

RATIONALE: The first paragraph of additions offers some protection to students and faculty from the misuse of the outcomes assessment process. The second paragraph provides a means of recognition for involvement in this process. The third and fourth additional paragraphs identify department heads and the core review committee as the responsible parties for preparing outcomes assessment reports, identifies the required committee as the responsible parties for preparing outcomes assessment reports, identifies the required content of those reports, identifies the timing of such required reports, and identifies the housing of these reports.

If there is no practical reason for the chairs of each department (or equivalent as identified by the Dean or Director) to prepare a report every 3 years, there is no reason to do it more often than every 4 years.
