EMR Committee Report – April 2013
Richard Machida – Chair

EMR met on April 1, 2013 from 3:00pm to 4:00pm AKDT.

Present: Richard Machida, Toni Abbey, Kirsten Bey

Kristen Bey took the Action Item Register that Toni Abbey sent out after the last meeting and developed a straw man version of the Staff Council By-laws. As a group, we stepped through each change to determine if the change met the intent of the motions passed at the February Staff Council Meeting. The resulting changes will be made in a new document that we will review at the next EMR meeting before bringing it for a first reading at the May meeting.

The motions passed required additions to the by-laws and not simply changes or deletions.
