**UAF STAFF COUNCIL #119**  
**SEPTEMBER 13, 2000**  
**SUBMITTED BY STAFF TRAINING**

**Election, Rules, & Membership Committee Report**

The committee is working toward setting regular scheduled meetings so that we can begin to address the revisions that need to take place of the by-laws in accordance with the goals that the committee set at our last meeting. Also, odd numbered units will be up for election this year. We are excited about our new addition to the committee, Debra Hagen. Thanks for joining us Debra! The next meeting is September 18 at 10:00 a.m.
MOTION
======
The UAF Staff Council moves to revise their meeting schedule for May Meeting #126 from the May 9 to the May 16, 2001.

EFFECTIVE: Immediately

RATIONALE: Commencement is May 13 and changing the meeting to May 16, 2001 would enable more staff to attend the meeting and then attend the staff longevity awards program on May 17, 2001.

MOTION
======
The UAF Staff Council moves to amend the Bylaws as follows to delete the Staff Training and Development Committee.

EFFECTIVE: Upon Chancellor's Approval

RATIONALE: Training is now being coordinated through UAF Human Resources and the staff members on this committee can move to other committees to focus their efforts on other issues which affect staff.

Sect. 4 (ARTICLE VI. - COMMITTEES)

B. PERMANENT COMMITTEES

1. The permanent committees shall be:
   a. Staff Affairs Committee
   b. Rural Affairs Committee
   ((c. Staff Training and Development))
   ((d)) C. University Advocacy

   ((4. Staff Training and Development

      a. The chairperson shall be elected from the committee.
      b. A representative from Human Resources will serve on the committee.
      c. The committee shall have the following responsibilities:

         1. Assist the office of Human Resources with providing staff training throughout the year.
         2. Organize the Staff Longevity Awards Program annually.))

   ((5)) 4. University Advocacy
The UAF Staff Council request that the UA Human Resources and Blue Cross work toward clarifying the $400 wellness benefit provided to UA employees. Specifically, we request:

(1) physician and employee education on opportunities to use this benefit,
(2) clarification of who makes the determination of a wellness visit,
(3) the procedure to follow if planned use of the benefit is unsuccessful,
(4) an answer to the question of whether spouses and/or financially interdependent partners qualify for an $800 benefit each if they are both employed by the University system, and
(5) a clear explanation of why separate appointments must be made if both diagnostic and wellness issues could be addressed in one visit.

EFFECTIVE: Immediately

RATIONALE: Many employees are unsuccessful in utilizing this benefit for various reasons: miscoding by the physician, misinterpretation by the insurance company, inconsistencies in definition of wellness between physicians themselves and employees as well. In addition, the requirement to separate wellness visits from diagnostic visits results in increased costs to the university through multiple office visit claims, additional sick leave time used and reduced worker efficiency.
