D.      President-Elect's Report

Election Results - The University did very well with the local
election results. Joe Hays and Hugh Faye have been long time
supporters of the University. The Interior Delegation has been
strong supporters also with the exception of Representative
Coghill. Last year he introduced a bill to delete tuition waivers.
Apparently he has changed his mind and realizes the benefit of
the tuition waivers. Also, the tax cap initiative did not pass.

University Holidays A list of University holidays was included in
the agenda. There has been some confusion on the Martin Luther
King Jr. Day holiday. This is now an official university holiday.

UAF LIFE Program and Student Recreation Center President-
Elect McCrea met with Michelle Combellick, chair of Health Issues
Committee; Darlette Powell, and Kathy Mosca regarding possible
changes to the LIFE program and the Student Recreation Center.
If you have any recommendations/comments please forward
them to President-Elect McCrea or Darlette Powell.

Compensation Executive Summary President-Elect McCrea has
not received any comments regarding the executive summary on
compensation from the Statewide administration. This will be
addressed at the December meeting when Dale Seay from
Statewide Human Resources is the guest speaker. The Staff
Alliance agenda has not been distributed, so it is uncertain if it
will be on that agenda.

Carolyn Sampson Memorial Scholarship - Denise Willamee, the
2000-01 recipient of the Carolyn Sampson Memorial Scholarship
sent a thank you letter to Staff Council. The letter was
circulated during the meeting.

II      Governance Reports
A.      ASUAF - S. Banks no report
B.      Faculty Senate - L. Duffy - no report
C.      Alumni Association - C. Branley

Alumni Wreath Fund Raiser - The Alumni Association sold 125
wreaths for their annual fund raiser. If you would like to
purchase a wreath, contact Daisy A Day Floral.

Top of the World - Alumni Association encouraged staff to
attend the basketball tournament November 16-19. UAF will play
all their games in the evening.

EDGE Program - The EDGE program will have a dessert social on
Thursday evening to bridge the gap between faculty, staff, and students.

The three alumni associations met with President Hamilton and talked about the importance of keeping the pressure on the legislature. All three alumni associations will be working on this item throughout the legislative session.

III  Guest Speakers - Dana Thomas

TOPIC: Accreditation

Dana Thomas encouraged staff participation in the UAF self study process for accreditation. Some areas were written by staff and some areas were written by administrators and faculty. All areas are encouraged to have faculty and staff participate in the process. A working draft of the self study is in process. A copy will be available on the web mid-February. Dana Thomas and Ron Gatterdam will be guest speakers at the March and April Staff Council meetings asking for input on the drafts.

Faculty, staff, and student input is needed in all areas. These notebooks will be used in the planning process. The Master Plan Committee is looking at these notebooks to see what space will be needed. The self study information is typically used for two or three years after it is completed.

Issues of concern  The issue of red lined staff is not coming up in the notebooks, as well as understaffing. Dana Thomas encouraged staff to make sure their views are represented in these notebooks and asked Staff Council for the top four or five issues for the institution over the next three to five years. These issues will be highlighted in the self study report. The self study report will be a guide used by the administration, and will be viewed by the Board of Regents and legislature.

Contact Hild Peters or Katrina Klaussen in the Provost Office in order to review the accreditation notebooks. The accreditation process is open and input is welcome.

IV  Committee Reports

A.  Staff Affairs - G. Hazelton

The committee met on October 24 and addressed compensation, take children to work resolution, and questions for Dale Seay. Representative Hazelton has not received a reply from Wendy Redman regarding Senate Bill #9. Also there is no new information regarding the geographic differential. The Committee has addressed the Staff Council survey and Staff Affairs will report on the various issues that came up in the survey. The next meeting is November 28 at 9:00 a.m. in Wood Center Conference Room B.

1.  Resolution on Take Your Children to Work

After a brief discussion, the resolution passed with unanimous approval.

RESOLUTION PASSED (Unanimous)

WHEREAS, the Staff Council recognizes the importance of its employees and their children; and,

WHEREAS, the Staff Council supports the future educational and professional interests of these children; and,

WHEREAS, the Staff Council believes in the importance of exposing these children to different opportunities in the business and educational world to boost self-confidence and self esteem; and,

WHEREAS, the nationally recognized "Take Your Child to Work" day is an occasion to introduce these children ages 5-15 to the varied careers and employment possibilities; now,

THEREFORE BE IT FURTHER RESOLVED, That UAF Staff Council requests the UAF recognize and encourage participation in "Take Your Child to Work" day on the fourth Thursday of April.

Effective this eighth day of November.
2. Questions for Dale Seay on the Reclassification Process

Dale Seay from Statewide Human Resources will be the guest speaker at the December 8 Staff Council meeting. Staff forwarded the following questions on the reclassification process:

Where is he in the process?
Who has he talked with, specifically, to get input for the new system?
What is the new, adjusted timeline?
What are his recommendations so far and/or observations?
What are the stumbling blocks to completion of the process and are they being dealt with?
Can we obtain quarterly status reports (can be very brief) to keep our constituents informed?

What are some of the mandates and/or boundary conditions within which this issue is being worked? For example, is the UA Administration now trying to position its compensation above that of the State of Alaska so as to reduce the loss of trained staff to that employer?

Similarly, is the study required to recommend only that which UA can afford (this year, or some other year)?

If this is a staff-driven, bottom-up effort, then what goals has the UA Administration acknowledged and thus considers as satisfactory to bring successful closure to this effort?

B. Elections, Membership & Rules - D. Dekerlegand York

The Committee met on Friday, October 13 to address revisions to the Bylaws. The Committee will be working on the Bylaws throughout the year. The Committee addressed the issue of co-presidents and decided that this was not an issue they are going to pursue because they are not in favor of co-presidents. Proxy voting was also addressed. The alternate should attend the meetings when a representative is unable to attend. However, a concern was expressed about units that do not have an alternate or other representatives. The issue of recall is being worked on and a section will be included at the end of the Bylaws that addresses recall. The Committee will also address various topics related to Robert's Rules of Order.

1. Motion to Amend Bylaws

After a brief discussion, the motion was passed with unanimous approval.

```
EFFECTIVE: Upon Chancellor's Approval
