Annual Leave - There was discussion at the last Staff Alliance meeting on cashing out annual leave over 240 hours. However, nothing new has transpired. This will be addressed at the next Staff Alliance meeting. Janet Jacobs expressed support for this program. A representative asked about donating annual leave for another employees use. At this time there isn't a mechanism for this.

Sick Leave - A representative asked about cashing out sick leave when an employees leaves the University and also credit the sick leave towards retirement. Currently, sick leave is not fully funded, so employees are not able to cash out the sick leave. In the past, former legislators have tried unsuccessfully to get sick leave credit for PERS. Staff Affairs addressed this last year and legislation would be needed to enact this process. Staff Affairs will address this issue again.

II Governance Reports

A. ASUAF S. Banks

Student Recreation Center - There was an open forum February 6 and one issue that came up is children at the SRC unsupervised. ASUAF is working on this issue and wants the SRC to be a safe family oriented facility. President-Elect McCrea asked if the question has come up regarding the need for an additional part-time or full-time employee. Stacey Banks stated that this has come up and at this time there are funding problems that do not allow the additional staffing. Security in the locker rooms has also been a major issue after the recent thefts.

B. Faculty Senate N. Swazo

The Faculty Senate replaced the policy on dual enrollment. A secondary school student will be allowed to dual enroll when they meet the course prerequisites. The students GPA is not a requirement any longer. Chancellor Lind has approved the dual enrollment policy motion.

Evaluation of Administrators - The point of the policy is to ensure that administrators go through regular evaluation. Next year, the provost, SFOS dean, Graduate School dean, and CRA dean will be up for review. However, with the announcement of Dean Gabrielli's return to teaching, the CRA dean will not be evaluated at this time. The motion recommends that staff serve on this ad hoc committees, but the Senate could not mandate another body to serve on a Senate committee.
