See [http://www.uaf.edu/uafgov/faculty/cd](http://www.uaf.edu/uafgov/faculty/cd) for a complete description of the rules governing curriculum & course changes.

**PROGRAM IDENTIFICATION:**

- **Changes to B.A.**
- **NOT APPROVED AT CURRICULUM REVIEW CMTE**

**DEGREE PROGRAM**
- BA Music; BM Music Education; BM Music Performance

**Degree Level:** (i.e., Certificate, A.A., A.A.S., B.A., B.S., M.A., M.S., Ph.D.)
- **BA and BM ONLY**
- **Only B.M. degrees were changed.**

A. **CHANGE IN DEGREE REQUIREMENTS:**
   (Brief statement of program/degree changes and objectives)

   Bring core requirements of Music Degrees in line with the university requirements.

B. **CURRENT REQUIREMENTS AS IT APPEARS IN THE CATALOG:**

   p. 170 (Requirements for Music BM degrees, both Performance and Music Education)
   2. Complete general university requirements. (See page 124.)
   3. Complete the following B. M. degree requirement: 3 credits of mathematics, computer science or statistics.

   Requirement is not listed for the B.A. degree on page 169, but checklists for requirements for all music degrees 6-7 credits in Mathematics. Check lists attached.

   - No changes to B.A. in Music were approved by the CR committee.
   - Only changes to the B.M. degrees were approved by CR CMTE.

C. **PROPOSED REQUIREMENTS AS IT WILL APPEAR IN THE CATALOG WITH THESE CHANGES:**
   (Underline new wording strike-through-old-wording and use complete catalog format)

   Strike the following:
   3. Complete the following B. M. degree requirement: 3 credits of mathematics, computer science or statistics.
D. **ESTIMATED IMPACT**

**WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.**

Decrease enrollment or opening of space in Mathematics courses.

---

E. **IMPACTS ON PROGRAMS/DEPTS:**

**What programs/departments will be affected by this proposed action?**

Include information on the Programs/Departments contacted (e.g., email, memo).

The Music Department is in the process of changing the format of their Piano Proficiency program to include 4 credits of Keyboard Skills (new course proposals) in place of MUS F151 Functional Piano and MUS F253. The reduction of credits required in Math will make room for the additional credits of Keyboard Skills to be required.

Some impact on Mathematics classes enrollment.

---

F. **IF MAJOR CHANGE - ASSESSMENT OF THE PROGRAM:**

**Description of the student learning outcomes assessment process.**

---

**JUSTIFICATION FOR ACTION REQUESTED**

The purpose of the department and campus-wide curriculum committees is to scrutinize program/degree change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a course, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the program is not compromised as a result.

There is no reason Music Majors should be required an extra 3 credits of Mathematics, Computer Science, or Statistics. They will be completing the same core requirements as other disciplines. The removal of this requirement will make room for extra music credits needed in the major area.

Only changes to B.M. degrees were approved at C.R. Committee. No changes to B.A. were approved.
