Service Center Rate Proposal and Questionnaire

Please complete a separate questionnaire and proposal for each service center or recharge activity. This questionnaire should be submitted to the regional campus chief financial officer with each request to establish a Recharge Center or Time & Materials Center. In addition, an updated copy of the questionnaire should be submitted to the chief financial officer, or designee, with each annual rate proposal.

(See accounting manual procedure P-112 for guidelines on service/recharge centers and allowable costs)
