

New parking permit kiosks on campus

Four new parking permit kiosks have been installed. Permits should be placed on the passenger's side dash, face up, and clearly visible through the windshield.

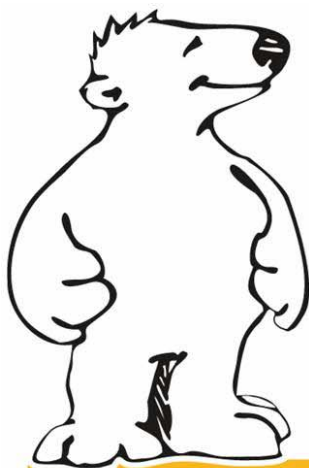

The new machines operate in a manner similar to an ATM.

The machines accept coins, bills, and credit cards and dispense parking permits for hourly, daily and weekly parking.

These permits work just like a UAF decal and allow parking in UAF decal required lots throughout campus with access to electric plugins.

Kiosk locations:
Thompson Drive
Taku Parking Lot
Nenana Parking Lot
University Park

- See campus map for parking locations. Gold lots are excluded.
- A permit is not required to park in a metered space, but if you choose to park at a meter during the day you must pay the meter.
- Parking is free for visitors after 5 p.m. and on weekends. No permit is required.
