### 2009 HONOREES

*We are pleased to recognize the following philanthropists:*

- Individual **Dr. Cary S. Keller**
- Corporate **Northrim Bank**
- Foundation **The Bernard Osher Foundation**

*The raising of extraordinarily large sums of money, given voluntarily and freely by millions of our fellow Americans, is a unique American tradition... Philanthropy, charity, giving voluntarily and freely... call it what you like, but it is truly a jewel of an American tradition.*

**John F. Kennedy**

Dear Friends

Sherry and I are pleased to celebrate and honor the many University of Alaska Fairbanks supporters that make this institution so wonderful. With your support and commitment to UAF scholarships and programs, our students succeed in so many ways and are able to make an impact around the world.

Tonight we gather to celebrate you – the individuals and representatives of corporations and foundations whose philanthropic gifts are vital to the University's enduring mission promoting academic excellence, student success and lifelong learning.

The circle of giving starts with you, as you support programs that make a difference in the lives of students across our great state. Their education leads our graduates to areas of research, exploration, and business development. Knowing first hand the vital impact support has on young students, they too give to encourage those behind them. It's a powerful circle of giving that will continue for years to come.

We thank you, warmly and sincerely, for giving so generously to support the University of Alaska Fairbanks.

Yours truly,

Brian Rogers  
Chancellor

if you are planning for a decade, plant trees;  
if you are planning for a lifetime, educate people.*

## 2009 HONOREES

### Individual: **Dr. Cary S. Keller**

Serving as the team physician for the University of Alaska Fairbanks athletic teams, Dr. Keller is an invaluable contributor to the success of the Alaska Nanook programs. Through a scholarship established in Dr. Keller's name, he was honored in 2008 by former UAF athlete Ryan Muspratt. Additionally in 2008, Dr. Keller was named School of Management's Business Leader of the Year. UAF is honored to recognize Dr. Keller as a business leader committed to the success and health of UAF student athletes.

### Corporate: **Northrim Bank**

Northrim Bank's continued support of the University of Alaska Fairbanks is an example of its strong commitment to the communities it serves. With its continued support of both the School of Management and the UA Museum of the North, it is helping train the future leaders of Alaska. We are proud of the enduring partnership we've established and value the future impact that Northrim's support of higher education will have on Alaska's communities.

### Foundation: **The Bernard Osher Foundation**

The Bernard Osher Foundation seeks to improve quality of life through support for higher education and the arts. Osher has provided the University of Alaska Fairbanks with critical funding to support the Osher Reentry Scholarship and the Osher Lifelong Learning Institute. UAF is grateful for this well-matched partnership with a foundation whose mission parallels so well with ours.
