

We change lives. You make it happen.

Dear UAF Parent Name,

When we sat down with our son, Asa, to discuss options for college, we encouraged him to explore all possibilities. Asa considered universities like Stanford and Georgia Tech; we were pleased when he chose the University of Alaska Fairbanks! His experience with the Alaska Summer Research Academy and the College of Engineering and Mines' robotics competition introduced Asa to the outstanding programs and faculty available at UAF (right in his own backyard!).

As parents, we take pride in the education Asa is receiving from UAF. Not only is it affordable, but with its unique location and rich traditions, it has produced generations of successful students.

We give to UAF as a way of saying "thank you" for giving our son the opportunity to get a quality education in a supportive environment! Gifts to the Parent Program help students succeed with scholarships and research opportunities.

Here are answers to a few questions about giving to UAF:

Q: Why give to the University of Alaska Fairbanks?

- A:** When you give to the University of Alaska Fairbanks, it gives right back, with educational opportunities for students, as well as with sporting events, arts festivals, concerts and much more.
- low student-to-professor ratio;
 - opportunities to work hands-on doing undergraduate research; and
 - learning within a 360-million-acre classroom and laboratory.

Q: What is the Parent Program?

A: The Parent Program fund supports university-wide initiatives, including scholarships, academic programs, student affairs, cultural events, library resources, research and much more. Parent Program gifts make a difference in the lives of today's students and tomorrow's leaders.

Q: Why should parents give more than they are already paying in tuition?

A: Tuition and fees account for only about 50 percent of the actual cost of a UAF education. The university relies on funding from various sources and on gifts to the Parent Program to help make up the difference and ensure our students get all the benefits associated with attending a top university.

Every gift counts, regardless of its size. Participate with us this year by making a gift today!

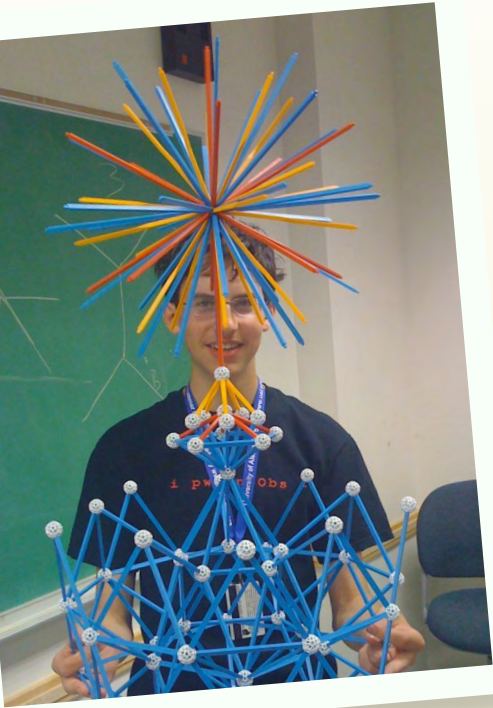

Sincerely,

Chuck Lemke and Phyllis Pendergrast
